Reference number: 21/1599

II.1.2. Main CPV code

73000000 Research and development services and related consultancy services

II.1.3. Type of contract

Services

II.1.4. Short description

In recent years the Petroleum Safety Authority Norway has worked on developing its own inspection activities in order, amongst other things, to fulfil the expectations in the Parliamentary St. 12 (2017 - 2018) on:

The Petroleum Safety Authority Norway must be a strong and clear authority and must, in an active and clear way, assess its policy use and adapt this to developments in the industry. The development can mean that there is a need for the Petroleum Safety Authority Norway being clearer in its reactions and inspecting that impositions are followed up to the necessary degree. This is also underlined in the department's own goal of being a strong and clear department in the follow-up of the industry. The Ministry of Health and Care Services would like to enter into a review contract to review and assess how the authority has carried out this work and what concrete outcomes and results this has given.
