Tenderers must be a legally established company.

#### III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have the economic and financial capacity to carry out the assignment.

Minimum level(s) of standards possibly required:

For Norwegian tenderers:

Tenderers must attach a satisfactory credit rating based on the most recent financial figures.

For foreign tenderers:

This must be attached with a credit rating based on the last known fiscal figures.

Extended credit rating/report, not older than 3 months, from a publicly certified credit appraisal company, which includes a credit rating of the tenderer, typically given by a letter or short text, as well as an explanation of this. The report must be based on the last known fiscal figures.

The date must be clearly stated.

If a tenderer has justifiable reasons for not being able to present a credit rating, for example, newly started companies with a credit-rating of AN, individual foreign companies or companies without reporting obligation to the Brønnøysund Register Centre, the tenderer can prove his economic and financial position with any other document the contracting authority deems suitable, cf. the Norwegian Public Procurement Regulations (PPR) § 16-4.

#### III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have sufficient and relevant experience and competence for the assignment.

Minimum level(s) of standards possibly required:

Tenderers must present an overview of the 2 most important relevant deliveries that the tenderer has carried out in the last three years, which clearly states what was delivered, on what dates, the name of the contracting authority, the contracts' values, and contact persons (with contact details) at the contracting authority. The Contracting Authority reserves the right to contact the reference persons.
