2. Procedure

2.1. Procedure

Title: Framework agreement for the procurement of sustainable bio-fuel for VAV - Bulk delivery
Description: VAV needs access to sustainable bio-fuel for the agency's vehicles and machines in order to be operative in daily operation and in stand-by situations. The contract shall be valid for 2 years, with an option for an extension for 1+1 year. The maximum value of the framework agreement is NOK 16,000,000 excluding VAT for the entire contract period, including options. The estimate was made based on historical figures and the expected future use in accordance with the Contracting Authority's best judgement. The specific call-offs depend on the department's changing need in the contract period. Emphasis is put on the fact that the contract does not carry any purchasing obligation for VAV. VAV will enter into a framework agreement for the delivery of bio-fuel in bulk delivered to the tank facilities as stated in the table in the tender enquiry. See the tender enquiry with annexes for further information.
