DFØ is holding an open tender contest with the intention of entering into a framework agreement with several tenderers so as to cover DFØ's need for consultancy services for various competence areas. The framework agreements will be valid for 3 years with an option for DFØ to extend the contract for up to 1 year. The framework agreements will be valid from when the contract is signed.

DFØ requests, through this tender contest, consultancy services related to 5 various competence areas. Each area is an object for the competition. Tenderers can therefore choose to submit a tender that covers one or several competence areas. Each competence area will be evaluated separately.
