Framework agreement with several operators

Maximum number Envisaged maximum number of participants to the framework agreement

: 2

Duration of the framework agreement

Duration in years: 3

II.1.5. Short description of the contract or purchase(s)

Electricity Supply board is the state owned electricity utility in the Republic of Ireland. ESB Moneypoint Generating Station is a coal fired power station with three separate units, each unit comprising of 4 pulverising mills, D8 type Foster Wheeler design. These 12 pulverising ball mills require the supply of up to 600 tonnes of mill balls, in total on an annual basis. The sizing of these mill balls being 50 mm, 30 mm and 20 mm outer diameter and are of a specific high grade material specification.

II.1.6. CPV code(s)

43414100 Coal pulverising mills

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for one or more lots

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

ESB Moneypoint currently use 20 mm, 30 mm and 50 mm Mill Balls for their coal mills. Each mill contains approximately 50 tonnes of mill balls and 8 tonnes of coal during normal operation. The fuel is pulverised by the crushing and grinding action of the cascading steel balls. Composition — the mill balls shall be made from forged low steel and with a composition in the range of the following:

- C 0,50-1 %;
- Mn 0,40-1,50 %;
- Si 0,15-0,60 %;
- Cr 1,50 % Max;
- Cu 0,50 % Max;
- S 0,05 % Max;
- P 0,05 % Max.

Hardness — The material should be heat treated to Average surface and volumetric hardness (uniform, fine-grained martensitic structure):

- hardness range (BHN);
- surface hardness 722-739;
- volumetric hardness 670-739;
- dimensional Tolerance: + / - 5 % (overall circular profile).

Metallography: heat treated to give uniform, fine-grained Martensitic structure.

The framework term for the supply of mill balls will be a maximum of 5 years, comprised of a 3 year initial term with the right to extend by a further 2 years at the discretion of ESB.

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Duration in months: 36 (from the award of the contract)

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Will be specified within the enquiry documents.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Will be specified within the enquiry documents.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

If the Tender is submitted by a group of suppliers, then those suppliers, if awarded the contract, shall assume such legal form by corporation, partnership or otherwise as will enable them to contract as a single entity, and assume joint and several responsibility for the contract. The requirements in Section III 2.1) must be met in full by each group of bidders.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Set out in Pre-Qualification Questionnaire or stated here.

III.2.2. Economic and financial ability

List and brief description of conditions: Set out in Pre-Qualification Questionnaire.

III.2.3. Technical and professional ability

List and brief description of conditions: Set out in Pre-Qualification Questionnaire.
Please note that ESB may request a sample of mill balls for testing as part of this pre-qualification process to ensure they comply with the specification.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Negotiated

Some candidates have already been selected (if appropriate under certain types of negotiated procedures): no

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of the criteria stated in the specifications or in the invitation to tender or to negotiate

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting entity

GWM2719 Supply of Mill Balls for ESB Moneypoint.

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents

(except for a DPS)

IV.3.4. Time limit for receipt of tenders or requests to participate

4.1.2016 - 18:00

IV.3.5. Languages in which tenders or requests to participate may be submitted

IV.3.6. Minimum time frame during which the tenderer must maintain the tender

IV.3.7. Conditions for opening of tenders

Persons authorised to be present at the opening of tenders: no

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

VI.3. Additional information

ESB is inviting interested parties to request a pre-qualification questionnaire from Martha Maher, (e-mail: martha.maher@esb.ie — telephone +353 214656637).

All such requests for participation and queries should be submitted fourteen days before the closing date to enable responses to be issued to all interested candidates prior to the deadline date for the receipt of applications. Only those parties who have completed the short-listing/pre-qualification process will be eligible for inclusion in this procurement process.

Please include GWM2719 Moneypoint Mill Balls within the title line of all of your email correspondence related to this procurement competition.

Please note shortlisted suppliers will be requested to participate in tender process through Government eTenders site: www.etenders.gov.ie

Responses to the questionnaire are required on or before close of business (17.30 GMT) on 4.1.2016 to powergeneration.procurement@esb.ie

Further information is set out in pre-qualification questionnaire and below:

- a) ESB will not be responsible for costs, charges or expenses incurred by candidates, whether or not a final contract is awarded;
- b) This notice is to serve as the sole Call for Competition for this contract;
- c) In connection with the award of the contract, the Tenderer shall be required to identify the entity that would be responsible for the receipt and processing of orders and the resolution of any and all problems relating to this contract;
- d) In responding to this notice, companies must indicate if they propose to submit a group bid and, if so, must provide full details of the participating companies (see section III1.3));
- e) The negotiated procedure will be used, however, the contracting entity retains the option to accept initial bids without further negotiations;
- f) ESB reserves the right to award the contract in full or in part, or not at all;
- g) It is ESB's preference to have a sole supplier of mill balls but retain the right to divide the contract into lots if this is the Most Economically Advantageous result of the tendering process;
- h) Suppliers attention is directed to Article 58.2 of Directive 2004/17/EC;
- i) Award to Runner Up — If for any reason it is not possible to conclude the contract with the designated successful tenderer emerging from this competitive process, ESB reserves the right to award the contract to the next highest scoring tenderer on the basis of the terms advertised. This shall be without prejudice to the right of ESB to cancel this competitive process and/or initiate a new contract award procedure at its sole discretion;
- j) ESB reserves the right to seek additional contractual and commercial safeguards in the event that the financial position of the proposed vendor deteriorates. ESB also reserves the right not to award the contract to the proposed vendor in such circumstances;
- k) The contracting entity reserves the right to conclude this contract, or withdraw from the process, at its sole discretion;
- l) The contract may initially be for a duration of 3 years, subject to annual review with the purchasers option to extend for a further two years subject to satisfactory performance and suitable commercial terms.

VI.4. Procedures for review

VI.4.1. Review body

Official name: The High Court (after consultation with the ESB)
Postal address: Chief Registrar, Four Courts, Inns Quay
Town: Dublin
Postal code: 7
Country: Ireland
Telephone: +353 18886000

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: A person seeking a review of a contract falling within the scope of Council Directive 90/531/EEC (now 2004/17/EC) shall first notify the contracting entity of the alleged infringement and of their intention to seek a review under these Regulations.

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

26.11.2015
