##### **II.2.11. Information about options**

Options: no

##### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

##### **II.2.14. Additional information**

### **Section IV: Procedure**

---

#### **IV.1. Description**

##### **IV.1.1. Type of procedure**

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The procurement falls outside the scope of application of the directive

Explanation:

Extreme urgency to expand an existing CGTC IT Infrastructure network into the Braintree facility as soon as possible after acquisition completion. The extension of existing CGTC supplies or installations where a change of supplier would oblige the contracting authority to acquire supplies having different technical characteristics which would result in the incompatibility or disproportionate technical difficulties in operation and maintenance.

##### **IV.1.3. Information about a framework agreement or a dynamic purchasing system**

##### **IV.1.8. Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: no

#### **IV.2. Administrative information**

##### **IV.2.8. Information about termination of dynamic purchasing system**

##### **IV.2.9. Information about termination of call for competition in the form of a prior information notice**

The contracting authority will not award any further contracts based on the above prior information notice

## Section V: Award of contract
