**II.1.4. Short description**

NBREM has entered into contracts for consultant and supporting services for security, with a main focus on consultancy services for IT security. The consultants will be engaged to assist in security work on several areas, including design of security functions, continually monitoring adherence to NBREM security requirements, and to actively search for weaknesses in the IT

infrastructure. Furthermore, the consultants will provide continuous monitoring and remediation anywhere where NBREM information is stored or processed, covering on-site infrastructure, cloud services and subsidiaries. The contract is entered into as framework agreements with a primary supplier (contract No 1) and a secondary supplier (contract No 2). Contract value is stated as MNOK 32 for primary supplier and NOK 1 for secondary supplier, based on an estimated total value of MNOK 32 together, and that it is not possible to predict how much will be called-off from the primary and secondary supplier respectively.
