Direct award:

Justification for direct award: The contract can be provided only by a particular economic operator because of an absence of competition for technical reasons

Other justification: The Central Bank entered into a contract with Wolters Kluwer in 2016 following an Open OJEU Procedure for provision of an Internal Audit Management Tool called TeamMate (the 'Solution'). The Bank has an on-going requirement for the capability provided by the Solution, the current version of which is TeamMate AM. The Bank holds perpetual licenses in the software. The Central Bank are now seeking to enter into a contract with Wolters Kluwer to upgrade the current version of the Solution from TeamMateAM to TeamMate+, transition the Solution from being an on premise Solution to the cloud and provide support and maintenance for the Solution for a period of up to four years. Wolters Kluwer Tax & Accounting Limited is the sole supplier of services relating to TeamMate+.
