### **II.2.4. Description of the procurement**

By this programme we would like to foster emergence of Health global players stemming from Europe by providing individualized roadmap, one-on-one, tailored coaching and mentoring with most recognized individuals in the respective business and matchmaking with global leaders and investors.

The programme revolves around the role of a strategic lead — high profile coach, recognizable and among the top leaders globally, who will be key responsible for the output of the start-up/emerging company, by guiding the start-up in its journey and identifying subject matter mentors to work with.

Gold track will not only provide the participating start-ups one entry point to accelerator with guaranteed spot on programmes of relevance, but also offer a unique global boost that justifies a financial return to EIT Health in case of success.
