II.1.5. Short description of the contract or purchase(s)

Procurement of electro services — framework agreement,

The procurement shall be executed as an Open tender procedure.

Sørlandet Hospital (the Contracting Authority), c/o the Clinic for Technology and e-health, invites tenderers to participate in a tender contest regarding framework agreements for electrical installation works and associated materials. The works shall be executed in departments belonging to Sørlandet Hospital in Kristiansand, Arendal and Flekkefjord.

Kristiansand means the hospital in Kristiansand with all accompanying premises located in Kristiansand municipality. Arendal means the hospital in Arendal with all accompanying premises located in Arendal municipality. Flekkefjord means the hospital in Flekkefjord with all accompanying premises located in Flekkefjord and Kvinesdal municipalities.

Tenders which cover one or several of these locations shall be given. The works will mainly include continuous maintenance works and smaller reconstructions in connection with assignment and structure alterations at the hospital. Project assignments can also be expected.

The tenderer must also undertake small/supplementing low voltage works.

II.1.6. CPV code(s)

45310000 Electrical installation work, 45315100 Electrical engineering installation works, 45317000 Other electrical installation work, 45315000 Electrical installation work of heating and other electrical building-equipment, 71321000 Engineering design services for mechanical and electrical installations for buildings

III.1. Conditions related to the contract**III.1.1. Deposits and guarantees required**

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: K 01 Tax certificate — Requirement: Tenderers must have submitted their tax assessments and paid tax and payroll tax. Documented by: Tax certificate. The certificate shall not be older than six months from the deadline for receipt of tenders. Any arrears or other irregularities must be justified. If the tenderer is planning to use sub-providers, tax certificates must be provided for them as well.

K 02 VAT certificate — Requirement: Tenderers must have submitted their VAT statements and paid VAT. Documented by: VAT certificate. The certificate shall not be older than six months from the deadline for receipt of tenders. Any arrears or other irregularities must be justified. If the tenderer is planning to use sub-providers, tax certificates for VAT must be provided for them as well.

K 03 Company Registration Certificate — Requirement: The tenderer must be a legally established company. Documentation: Company Registration Certificate or equivalent from the tenderer's home country.

K 04 HSE self-declaration — Requirement: The tenderer shall vouch for the company working systematically to comply with the health, environment and safety legislation and that they comply with the internal control regulations. The tenderer must also confirm that the company is legally organised in relation to applicable tax and working environment regulations for employees' professional and social rights, and shall accept that the contracting authority has the right to review and verify the company's system for safeguarding health, safety and environment. Documentation: A signed HSE self-declaration.

III.2.2. Economic and financial ability

List and brief description of conditions: K 05 Financial and economical position — Requirement: Tenderers shall have sufficient economic and financial solidity to carry out the contractual obligations. The contracting authority will assess the tenderer's fulfilment of the qualification requirement based on the following information.

- a) Latest submitted annual financial statements with notes including auditor's report.
- b) Income statement and balance sheet for the last 6 months if it is more than 6 months since the last annual report.
- c) Tenderers are free to substantiate their economic and financial position by any other document, including for example by a parent company guarantee.
- d) The contracting authority will obtain a credit report from Bisnode Credit AS via the Merzell portal in order to verify this requirement.

K 06 Tenderers shall describe the economic and organisational conditions that may affect the organisation since the last submitted annual accounts.

III.2.3. Technical and professional ability

List and brief description of conditions:

K 07 The company must be registered in the Norwegian Directorate for Civil Protection's (DSB) Electrical company register and shall be approved for engineering design and installation/execution under the category 'Electrical systems in hospital rooms used for medical purposes'. This shall be substantiated by presenting documentation from the Norwegian Directorate for Civil Protection, verifying that the requirement is fulfilled.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure
