Section II: Object

II.1. Scope of the procurement

II.1.1. Title

ERP system for 7 municipalities.

Reference number: 21005

II.1.2. Main CPV code

72220000 Systems and technical consultancy services

II.1.3. Type of contract

Services

II.1.4. Short description

The contracting authority will procure an ERP system that will cover the finance system, HR system, and the payroll system. The contracting authority would like an option for a digital, interactive budget/finance plan/annual report tool, conversion of all necessary historical data, procurement system, loan module, resource management system for shift workers, project tool and hour registration system for day-workers.

A contract will be signed with one tenderer.

There will be a strong focus on efficient work processes, and the new ERP system must support this. The system must therefore have a close integration between the administrative systems and not at least the professional systems in the municipalities, in such a way that double registrations and unnecessary work processes are eliminated.
See the procurement documents for further information.
