Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement: Tenderers must be a legally established company.

Documentation:

- Norwegian companies: Company registration certificate from the Unit Register for single-person companies that are not required to register.
- Foreign tenderers: Verification that the company is registered in an industry or business register as prescribed by the law of the country where the tenderer is established. The verification can be submitted in writing or by referring to BRIS.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: Paid taxes and duties.

Documentation:

For Norwegian tenderers:

A certificate, not older than 6 months, which verifies that the tenderer has fulfilled the obligations of payment of taxes, social security contributions and VAT. The certificate can be ordered and obtained from Altinn by using a separate link on skatteetaten.no. If this is not possible, it can be ordered from the tax collector or the Norwegian Tax Administration. The certificate is electronically certified and is therefore not signed. For further information, see skatteetaten.no.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: Tenderers must have sufficient ability and experience to be able to execute a contract of a similar nature and scope.

Documentation:

- A description of up to three of the tenderer's most relevant assignments in recent years, together with information on the contract's value, date of delivery or execution, and the name of the recipient (if possible).

Relevant assignments means assignments related to the design and implementation of population surveys and other quantitative questionnaires, surveys/analyses of criminality, hidden figures and related research areas, and/or surveys/analyses of working life and business development.

Tenderers are responsible for ensuring that the description is of such a nature that it verifies that the requirement has been met.
