### **III.2.4. Information about reserved contracts**

### **III.3. Conditions specific to services contracts**

#### **III.3.1. Information about a particular profession**

#### **III.3.2. Information about staff responsible for the performance of the contract**

## **Section IV: Procedure**

---

### **IV.1. Type of procedure**

#### **IV.1.1. Type of procedure**

Negotiated

Some candidates have already been selected (if appropriate under certain types of negotiated procedures): no

#### **IV.2. Award criteria**

##### **IV.2.1. Award criteria**

The most economically advantageous tender in terms of the criteria stated in the specifications or in the invitation to tender or to negotiate

##### **IV.2.2. Information about electronic auction**

An electronic auction will be used: no

#### **IV.3. Administrative information**

##### **IV.3.1. File reference number attributed by the contracting entity**

##### **IV.3.2. Previous publication concerning this procedure**

no

##### **IV.3.3. Conditions for obtaining specifications and additional documents**

(except for a DPS)

Time limit for receipt of requests for documents or for accessing documents: ..

##### **IV.3.4. Time limit for receipt of tenders or requests to participate**

16.1.2014

##### **IV.3.5. Languages in which tenders or requests to participate may be submitted**

Danish. English.

##### **IV.3.6. Minimum time frame during which the tenderer must maintain the tender**

##### **IV.3.7. Conditions for opening of tenders**

#### **Section VI: Complementary information**

---

##### **VI.1. Information about recurrence**

This is a recurrent procurement: no

##### **VI.2. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

##### **VI.3. Additional information**

1. The application must be signed and submitted in electronic form either by physical media or sent to the e-mail address given in Annex A

Physical data media should be put in a sealed envelope. Each application shall be marked with the EU notification number and be marked as 'confidential'.

2. With the Request to Qualify the applicant agrees to a change in the person of the employer. It cannot be ruled out that during the tendering process, a different person becomes the employer.

3. An applicant may, also as a member of an applicant consortium, also refer to the skills of third companies (such as subcontractors) in demonstrating the suitability. Then the applicant must submit proof for the other company regarding the items III.2.1) and III.2.3).The obligation

to submit proof for the technical capacity (III.2.3) is limited to the part or the parts of services, for which the third company shall be responsible. In addition, the applicant has to demonstrate that the necessary resources are made available by the third company. This can be carried out by a personally signed letter of commitment from the other company or the other companies respectively.

An applicant cannot use the financial strength of a subcontractor to demonstrate the financial capability of the applicant itself.

4. Questions are exclusively to be sent via email to the contact point until 7 calendar days before the application deadline. Thereafter, incoming questions are not considered. The employer will try to reply in a timely manner.

5. Request to participate shall be delivered to the contact person in I.1 no later than on the date and time stated in section IV.3.4.

11. Applicants will be pre-qualified. Applicant's performances will be assessed and valued using the general information as requested in this Contract Notice. Together with the weighting of the specific information in the application regarding the Environmental management system, HSE management system, and technical capacity according to the references as mentioned in section III.2.3 this will result in a ranking of the Applicants. The Applicants with the highest ranking will be selected as Tenderers (maximum 3-5).

The specifications for contract awarding result from the Invitation To Tender (ITT). For reasons of maximum transparency, the employer announces some general rules in advance. There is, however, no entitlement for employer to comply with them. Therefore, specifications and changes can occur in the context of the ITT:

1. Contract awarding requires the approval of the employer's boards.
2. Contract awarding is subject to existing permits under public law.
3. Contract awarding is subject to the economically viable implementation of the services to be determined by the employer.
