Description of selection criterion: ACHILLES UTILITIES NCE is of indefinite duration, but supplier information must be updated annually. Suppliers already qualified on ACHILLES UTILITIES NCE will be reminded to renew before the qualification period expires. The annual qualification fee is ranging from EUR 270 to 1210 payable in advance. Suppliers can update their information during the qualification period. Documentation requirements: Suppliers may apply for qualification at any time. To apply the suppliers must complete an Order Form and pay in advance an annual qualification fee between EUR 270 to 1210. The Order Form with qualification requirements can be obtained here <https://my.achilles.com/join-community?communitycode=UNC&lang=gb-EN>. To qualify the suppliers must complete an online questionnaire covering detailed information about their company. As some contracting authorities and contracting entities require an ESPD, the suppliers submit an ESPD via ACHILLES UTILITIES NCE. Basic commercial requirements must be satisfied. Some buying organisations have individual requirements in addition to the basic requirements. The suppliers can therefore be asked to answer customer-specific questions related to the qualification. ACHILLES UTILITIES NCE is open to manufacturers or distributors dealing directly with the buyer. The bidders lists will be based on suppliers that have passed the initial qualification. Basic commercial requirements for qualifying as a supplier in Achilles Utilities NCE are: <https://www.achilles.com/app/uploads/2023/05/UNCE-Qualification-Requirements-English.pdf>
