2. Procedure

2.1. Procedure

Title: Procurement of external assistance for the Ministry of Energy's economy.

Description: The Ministry of Energy (ED) needs external assistance in the economic area. The main objective of the procurement of external assistance is to support the further development, introduction and use of government accounting standards (SRS), strengthen internal financial management, improve the follow-up of SRS accounts to underlying entities and ensure better utilisation of DFØ's system portfolio. The Ministry is the Basic Service + a customer of DFØ's wages and accounting services. The assistance shall also include target oriented competence raising at management and affected employees, including professional users in the payroll and accounting area. The assignment involves close cooperation with the Ministry's economic section and requires good insight into government financial regulations, including the connection between the cash principle and the accrual principle (SRS), DFØ's systems and services.
