G2 System Support Phase CDE System AIV

II.1.2. Main CPV code

71336000 Engineering support services

II.1.3. Type of contract

Services

II.1.4. Short description

The G2 System Engineering Technical Assistance (SETA) in Phase CDE aims to support ESA at system level in its role as system architect for the Galileo 2nd generation and the transition

to it from system PDR to system CDR and then up to system tests and system builds' qualification. For more details please see II.2.4) below.

II.1.5. Estimated total value

Value excluding VAT: 66 560 000,00 EUR

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: NL33 Zuid-Holland

Main site or place of performance: Contractor's premises or any other place indicated in the tender specifications.

II.2.4. Description of the procurement

The G2 System Engineering Technical Assistance (SETA) in Phase CDE aims to support ESA at system level in its role as system architect for the Galileo 2nd generation and the transition to it from system PDR to system CDR and then up to system tests and system builds' qualification. In particular, this contract will include all G2G system AIV engineering and deployment support activities, among others:

- contribution to the system-level AIV planning and execution;
- support of the requirements and functional chains' verification and control process;
- support the preparation and execution of system deployment plans if necessary at Galileo system sites;
- support the maintenance of the qualification files and control of the qualification status at system level;
- system tests definition and specification (e.g. RFCT, SCTC, IOT, functional chain tests);
- system tests procedure elaboration, execution, and reporting;
- support of the non-conformance review processes;
- develop specific system AIV tools to support the system tests;
- support the preparation of architecture roadmaps.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value
