Legal type of the buyer: Body governed by public law, controlled by a central government authority

Activity of the contracting authority: Education

2. Procedure

2.1. Procedure

Title: Servicii de extindere, întreținere și actualizare a Ecosistemului de Learning Management System (LMS) Moodle al UB

Description: Universitatea din București intenționează achiziția de Servicii de extindere, întreținere și actualizare a Ecosistemului de Learning Management System (LMS) Moodle al UB, prin încheierea unui Acord cadru pentru 3 ani. Scopul achiziției este susținerea și îmbunătățirea activității didactice, a formării continue și a proiectelor educaționale de la nivelul tuturor celor 20 de facultăți și departamente conexe. Având în vedere dezvoltarea accelerată a digitalizării în cadrul instituției, actuala infrastructură a evoluat de la o singură instanță la un ecosistem complex, menit să asigure sustenabilitatea proiectelor finanțate prin PNRR și să deservească nevoi specifice de pedagogie. Ecosistemul de Learning Management System (LMS) Moodle al UB a fost deja implementat prin proiectul „Ecosistemul digital pentru învățare sustenabilă la Universitatea din București – EDIS UB” (cod proiect 182832954). Având în vedere aplicabilitatea platformei Moodle în sfera academică din facultățile noastre, platforma fiind esențială în activitatea personalului didactic și a studenților (derularea cursurilor, examenelor, publicarea notelor, etc.), de-a lungul timpului funcționalitățile platformei au fost adaptate necesităților beneficiarilor direcți ai Universității din București cu scopul de a facilita activitatea în online. Numar zile până la care se pot solicita clarificări înainte de data limită de depunere a ofertelor: 17 zile. Autoritatea contractantă va raspunde în mod clar și complet tuturor solicitarilor de clarificare/informațiilor suplimentare în a 11-a zi înainte de termenul limită de depunere a ofertelor.
