I.4. Type of the contracting authority

Regional or local agency/office

I.5. Main activity

Other activity: Municipal owned property company

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

TV Channels and Broadband for 133 Flats in Sandvika, Bærum
Reference number: 2

II.1.2. Main CPV code

92232000 Cable TV

II.1.3. Type of contract

Services

II.1.4. Short description

We would like tenders for the provision of TV channels and broadband for 133 flats in an apartment building in Claude Monets Allé 16 in Sandvika, Norway. We would like a 4 year contract period.

II.1.5. Estimated total value

Value excluding VAT: 2 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: NO012 Akershus

Main site or place of performance: Claude Monets allé 16, 1338 Sandvika.

II.2.4. Description of the procurement

Colliers Property Management manages the property Claude Monets Allé 16 on behalf of the house owner, Bærum Kommunale Eiendomsselskap AS.

The property is an apartment building with 133 small flats and bedsits for rent. There is coax cabling from an exchange in the basement up to each individual flat.

We would like tenders for the provision of a standard channel package, broadband and the necessary technical equipment (decoder, etc.), for each of the 133 flats. The house owner will pay the TV and data costs for the residents, as this is included in their rent. The tenderer will, thus, only have one contract party to deal with.

The contract requires that the tenderer sees to connection to the exchange and distribution to each individual flat via the internal coax network in the building.

We would like a 4 year contract period, with a start-up of the delivery approx. 3 months after the contract has been signed.

Price will be weighted with 60 % and quality with 40 % when the received tenders are evaluated.

Tenders are to be sent by email to: jensmarius.andresen@colliers.com.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 2 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 48

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: yes

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers are required to have the necessary public licences/certifications to operate their business and they must be registered in the official register of business enterprises in their home country.

Furthermore, tenderers must submit a tax certificate and VAT declaration that is not older than 6 months.

The Contracting Authority can demand that the tenderer presents a copy of employment contracts etc., if there are suspicions of unregulated working conditions for the tenderer's employees.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

It is a pre-requisite that tenderers are a recognised supplier of TV and broadband services and can refer to several years in business.
