II.1.4. Short description

This Tender includes all waste produced or handled by First Wessex, specifically:

— Waste produced in the course of undertaking planned and responsive repairs to the 18 500 properties managed by First Wessex Property Services — in 2015, this was in excess of 3 500 tonnes of waste.

— Fly-tipped waste left by former tenants in void properties, or in communal areas of occupied properties.

— Construction waste produced by First Wessex Homes.

— Waste produced during operation of other premises we are involved with, including community centres, hostels, extra care schemes and any catering establishments therein.

The following types of waste are outside the scope of this tender:

— Domestic waste — that is, waste produced by our residents living within our properties.

— Waste produced by our sub-contractors or other third parties.

— Waste produced during the construction of new properties when First Wessex Homes is not the contractor.

— Waste from our Offices.
