---

**Section II: Object**

**II.1. Scope of the procurement**

**II.1.1. Title**

Air Portable Mortuary System and Clinical Waste Incinerator for Joint Expeditionary Forces Field Hospital

**II.1.2. Main CPV code**

33100000 Medical equipments

**II.1.3. Type of contract**

Supplies

#### **II.1.4. Short description**

It has a requirement to provide medical equipment that can satisfy the following:

A mortuary system that can be transported via armed forces air transport capabilities directly to a field hospital in an operational environment. The system would be able to be set up and operated by an appropriately trained user.

A clinical waste incinerator system that can be transported and operated as above.

A system that provides the least possible logistic need, is easily constructed with little to no specialist tools. The components required to construct the complete working system, including spares, will need to be man portable.

An example of the bidder proposed solution must be available for trials in January 2020.

Bidders are able to bid for each lot individually or both.

The contractor will also be required to provide maintenance, servicing, repair and supply of spare parts.

The proposed contract is to be 5 years, with an option to extend in 1-year increments twice.

#### **II.1.5. Estimated total value**

Value excluding VAT: 1 537 000,00 GBP

#### **II.1.6. Information about lots**

This contract is divided into lots: yes

Tenders may be submitted for all lots

### **II.2. Description**

#### **II.2.1. Title**

Air Portable Clinical Waste Incinerator

Lot No: 1

#### **II.2.2. Additional CPV code(s)**

42320000 Waste incinerators - UB07

#### **II.2.3. Place of performance**

NUTS code: UKK11 Bristol, City of

Main site or place of performance: Bristol, City of.

#### **II.2.4. Description of the procurement**

— a clinical waste incinerator system that can be transported via currently available armed forces air transport capabilities directly to a field hospital in an operational environment. The system would be able to be set up and operated by an appropriately trained armed forces user,

— a system that provides the least possible logistic need, is easily constructed in austere environments, with little to no specialist tools. The components required to construct the complete working system, including any spares, will need to be man portable,

— an example of the bidder proposed solution is required to be available for trialling in January 2020,

— bidders are welcome to bid for each lot individually or both,

— the contractor will also be required to provide maintenance, servicing, repair and supply of spare parts.

#### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### **II.2.6.**

## **Estimated value**

Value excluding VAT: 1 170 000,00 GBP

### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Start: 04/02/2020 End: 04/02/2025

This contract is subject to renewal: no

### **II.2.9. Information about the limits on the number of candidates to be invited**

Envisaged minimum number: 2 Maximum number: 5 Objective criteria for choosing the limited number of candidates:

Candidates will be selected based on their performance on the associated PQQ. The scoring mechanism for the PQQ is contained within its supporting documents. The number of invited candidates is limited due to resource restrictions around the bidder trials.

### **II.2.10. Information about variants**

Variants will be accepted: no

### **II.2.11. Information about options**

Options: yes

Description of options:

The contract will include 2 separate options, each will extend the length of the contract by 12 months.

### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

### **II.2.14. Additional information**

#### **II.2. Description**

##### **II.2.1. Title**

Air Portable Mortuary System

Lot No: 2

##### **II.2.2. Additional CPV code(s)**

33970000 Mortuary equipment and supplies

##### **II.2.3. Place of performance**

NUTS code: UKK11 Bristol, City of

Main site or place of performance: Bristol, City of.

##### **II.2.4. Description of the procurement**

- a mortuary system that can be transported via armed forces air transport capabilities directly to a field hospital in an operational environment. The system would be able to be set up and operated by an appropriately trained user,
- a system that provides the least possible logistic need, is easily constructed with little to no specialist tools. The components required to construct the complete working system, including spares, will need to be man portable,
- an example of the bidder proposed solution must be available for trials in January 2020,
- bidders are able to bid for each lot individually or both,
- the contractor will also be required to provide maintenance, servicing, repair and supply of spare parts.

The proposed contract is to be 5 years, with an option to extend in 1-year increments twice.

#### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### **II.2.6. Estimated value**

Value excluding VAT: 367 000,00 GBP

#### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Start: 04/02/2020 End: 03/02/2025

This contract is subject to renewal: no
