II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 15/09/2023 End: 30/09/2025

This contract is subject to renewal: yes

Description of renewals:

4 extensions, each for 12 months

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement: Tenderers must be registered in a company register or trade register in the country where the tenderer is established. Documentation: Tenderers must substantiate this by presenting documentation that shows that the tenderer is registered in a professional register, a trade register or other business register as prescribed by the law of the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: Tenderers shall have sufficient economic and financial capacity to be able to fulfil the contract. Documentation: Tenderers must substantiate this by submitting extracts from the company's annual accounts for 2022 and the auditor's audit report. If this has not been completed, attach the company's annual financial statements for 2021 and the auditor's report. Companies that cannot fulfil the requirement for extracts of Annual Financial Statements, may alternatively submit the business plan with the overall plan for funding.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

1. Competence and implementation ability

Requirement: Tenderers must have the necessary capacity and access to resources that have the competence and execution capability in the specialist areas required for the assignment.

Documentation: Tenderers substantiate this by submitting an overall description of the relevant professional competence that will be used to execute this framework agreement, as well as how the organisation will be used to execute the agreement.

2. Experience from equivalent projects.

Requirement: Tenderers must have experience from a minimum of 2 equivalent projects in the last three years. Equivalent means completed turnkey contracts for the engineering design and installation of solar panels, with a total value of at least NOK 3 million excluding VAT per project. The projects must be completed.

Documentation: Tenderers must substantiate this by providing a list of the most important relevant deliveries in the last three years, including information on why the reference is considered relevant, the date, value, and the contracting authority.

3. Qualification requirement

Requirement: Tenderers must have an established quality assurance system. Documentation: Tenderers must document this by presenting a description of approx. 1 A4 page of their qualification system, including any certificates, e.g. ISO certification or equivalent.

4. Environmental management system

Requirement: Tenderers must have an environmental management system. Documentation: Tenderers must document this by presenting a description of approx. 1 A4 page of their environmental system, including any certificates, e.g. ISO 14001, Eco-Lighthouse, EMAS or equivalent.

5. Due diligence requirements for responsible business conduct to safeguard fundamental human rights and decent labour conditions.

Requirement: Tenderers must be suitable to fulfil the contract requirements for due care assessments for responsible business practices. This means that tenderers must have implemented measures and systems that are used in the tenderer's work on ensuring basic human rights and proper working conditions in their supplier chain. Documentation: A description of the tenderer's systems for assessing due diligence in accordance with the UN's guiding principles for businesses and human rights (UNGP) and OECD's guidelines for multi-national companies. The tenderer's response to response form

Annex 10 and associated requested attachments. The documentation must include (see also Annex 10): Formal policy/guidelines that include a commitment to comply with the requirements for responsible business conduct to safeguard fundamental human rights and decent labour conditions. •Formal policy/guidelines for responsibility for sub-suppliers/the supplier chain, (Supplier Code of Conduct). This must be submitted only if subcontractors will be used. •Descriptions of the tenderer's processes and routines for how the company works on due diligence assessments. •A description of how the tenderer will obtain and maintain an overview of the country of origin and production places for the products the tenderer offers

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 21/08/2023 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

Norwegian

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Tender must be valid until: 21/11/2023

IV.2.7. Conditions for opening of tenders

Date: 21/08/2023 Local time: 12:01

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.3. Additional information

Mercell notice: <https://opic.com/id/afxkdrwios>

VI.4. Procedures for review

VI.4.1. Review body

Official name: Romerike og Glåmdal tingrett

Town: Lillestrøm

Country: Norway

VI.5. Date of dispatch of this notice

10/07/2023
