#### **II.2.5. Award criteria**

Price

#### **II.2.11. Information about options**

Options: yes

Description of options:

The contracts for the transport of laboratory samples will be valid for 1 year, with an option for an extension for up to 3 years.

The contracts for the transport of food will be valid for 2 years, with an option for an extension for up to 2 years.

#### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: no

#### **II.2.14. Additional information**

Note that the contract period for the transport of laboratory samples is 1 year with an option for an extension for 3 years (1+1+1). The reason for the short contract period is that there will be major structural changes within the laboratory area in approx. one year and this will probably mean major changes to the transport set-up.
