

Norway-Trondheim: Medical equipments

OJ S 134/2023 14/07/2023

Contract notice

Supplies

Legal Basis:

Directive 2014/24/EU

Section I: Contracting authority

I.1. Name and addresses

Official name: Sykehusbygg HF

National registration number: 814630722

Postal address: Holtermanns veg 1

Town: TRONDHEIM

NUTS code: NO Norge

Postal code: 7030

Country: Norway

Contact person: Tormod Ihlen

E-mail: tormod.ihlen@sykehusbygg.no

Internet address(es):

Main address: <https://permalink.mercell.com/207610576.aspx>

I.3. Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at: <https://permalink.mercell.com/207610576.aspx>

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted electronically via: <https://permalink.mercell.com/207610576.aspx>

I.4. Type of the contracting authority

Body governed by public law

I.5. Main activity

Health

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

K9270 Special equipment for microbiology - New announcement

II.1.2. Main CPV code

33100000 Medical equipments

II.1.3. Type of contract

Supplies

II.1.4. Short description

The following special microbiology equipment will be procured for the new Drammen Hospital:

- Analyser Maldi ToF
- Zone reader
- System for micro-stock thinning
- Anaerobe workstation bacteriology, cupboard
- Dye machine, Gram's stain
- TB dye machine

NOTE:

- 1) The contest was announced previously, but was cancelled because it was necessary to make changes to the tender documentation. Adjustments have been made to the price form and the requirement specifications for all subgroups, as well as the price document for the procurement and the invitation to tender, to adapt the requirements for service level, training and consumables to the equipment to be procured.
- 2) Questions will not be answered in weeks 28-30 due to the holiday period.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: yes
Tenders may be submitted for all lots

II.2. Description

II.2.1. Title

01_Analyser Maldi ToF
Lot No: 1

II.2.2. Additional CPV code(s)

33100000 Medical equipments, 33190000 Miscellaneous medical devices and products, 33698100 Microbiological cultures, 38000000 Laboratory, optical and precision equipments (excl. glasses), 38432000 Analysis apparatus, 38434540 Biomedical equipment

II.2.3. Place of performance

NUTS code: NO08 Oslo og Viken

II.2.4. Description of the procurement

A Maldi ToF analyser will be procured for the new Drammen Hospital (analysis instrument for identifying microorganisms).

Description of the wanted function:

Analysis instrument for quick and exact identification of bacteria using Maldi ToF technology (Matrix Assisted Laser Desorption Ionization - Time of Flight). The equipment will be used for the identification of microorganisms (bacteria and fungi) via the microorganisms unique protein spectrums. The equipment must use updated taxonomy for microorganisms. The equipment, including all components, software, and databases (the system), must be able to identify a broad spectrum of microorganisms, including high-pathogenetic organisms.

Bærum and Drammen Hospitals currently have Maldi ToF as a backup, and it is important that this continues

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7.

Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 46

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

See the contest's documents and annexes.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

II.2. Description

II.2.1. Title

02_Zone reader

Lot No: 2

II.2.2. Additional CPV code(s)

33100000 Medical equipments, 33190000 Miscellaneous medical devices and products, 33698100 Microbiological cultures, 38000000 Laboratory, optical and precision equipments (excl. glasses), 38432000 Analysis apparatus, 38434540 Biomedical equipment

II.2.3. Place of performance

NUTS code: NO08 Oslo og Viken

II.2.4. Description of the procurement

A zone reader will be procured for the new Drammen Hospital (reads what medicines a microorganism is sensitive to and to what degree. The method is used for determining bacteria resistance.)

Description of the wanted function:

The instrument must be able to take pictures, read, and interpret manual resistance determination.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 46

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:
See the contest's documents and annexes.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

II.2. Description

II.2.1. Title

03_System for micro-stock thinning
Lot No: 3

II.2.2. Additional CPV code(s)

33100000 Medical equipments, 33190000 Miscellaneous medical devices and products, 33698100 Microbiological cultures, 38000000 Laboratory, optical and precision equipments (excl. glasses), 38432000 Analysis apparatus, 38434540 Biomedical equipment

II.2.3. Place of performance

NUTS code: NO08 Oslo og Viken

II.2.4. Description of the procurement

A system for micro-stock thinning will be procured for the new Drammen Hospital (method that is used for determining bacterial resistance).

Description of the wanted function:

The instrument must be able to take pictures, read, and interpret MIC value from micro-stock thinning.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 46

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

See the contest's documents and annexes.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

II.2. Description

II.2.1. Title

04_Anaerobe workstation bacteriology, cupboard
Lot No: 4

II.2.2. Additional CPV code(s)

33100000 Medical equipments, 33190000 Miscellaneous medical devices and products, 33698100 Microbiological cultures, 38000000 Laboratory, optical and precision equipments (excl. glasses), 38432000 Analysis apparatus, 38434540 Biomedical equipment

II.2.3. Place of performance

NUTS code: NO08 Oslo og Viken

II.2.4. Description of the procurement

An anaerobe workstation bacteriology, cupboard will be procured for the new Drammen Hospital (can detect bacteria that grow without access to O2).

Description of the wanted function:

System for anaerobe cultivation of bacteria.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value**II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 46

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

See the contest's documents and annexes.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information**II.2. Description****II.2.1. Title**

05_Colour machine, Gram's stain
Lot No: 5

II.2.2. Additional CPV code(s)

33100000 Medical equipments, 33190000 Miscellaneous medical devices and products, 33698100 Microbiological cultures, 38000000 Laboratory, optical and precision equipments (excl. glasses), 38432000 Analysis apparatus, 38434540 Biomedical equipment

II.2.3. Place of performance

NUTS code: NO08 Oslo og Viken

II.2.4. Description of the procurement

A colour machine, Gram's stain will be procured for the new Drammen Hospital (machine that colours bacteria and that contributes to identifying different types of bacteria).

Description of the wanted function:

System for automatic Gram's staining of microbiological preparations. The system must be physically sealed during the colour process in order to prevent exposure.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 46

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

See the contest's documents and annexes.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

II.2. Description

II.2.1. Title

06_TB-colour machine

Lot No: 6

II.2.2. Additional CPV code(s)

33100000 Medical equipments, 33190000 Miscellaneous medical devices and products, 33698100 Microbiological cultures, 38000000 Laboratory, optical and precision equipments (excl. glasses), 38432000 Analysis apparatus, 38434540 Biomedical equipment

II.2.3. Place of performance

NUTS code: NO08 Oslo og Viken

II.2.4. Description of the procurement

A TB colour machine will be procured for the new Drammen Hospital (machine that colours acid proof rods, used for diagnosing tuberculosis).

Description of the wanted function:

System for automatic colouring of acid proof rods. The system must be physically sealed during the colour process in order to prevent exposure.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 46

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

See the contest's documents and annexes.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 06/09/2023 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

Norwegian

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Duration in months: 6 (from the date stated for receipt of tender)

IV.2.7. Conditions for opening of tenders

Date: 06/09/2023 Local time: 12:00

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.3. Additional information

VI.4. Procedures for review

VI.4.1. Review body

Official name: Buskerud tingrett

Town: Drammen

Country: Norway

VI.5. Date of dispatch of this notice

10/07/2023
