II.2.4. Description of the procurement

Færder and Tønsberg Municipalities would like to have a new framework agreement for pipe inspections. The framework agreement will cover pipe inspections of waste water, surface water, and joint sewage pipelines. The pipes in question are concrete, PVC, and tile pipes. Other pipe material can be included.

The basis for the pipe inspections will be the municipality's pipe map, which includes manhole numbers and pipeline numbers, as well as registered pipeline data such as pipe dimensions, pipe material, site year, and possibly more.

Relevant places of work can be in all of Tønsberg Municipality and Færder Municipality where the municipalities have municipally owned pipeline networks.

The given estimate does not constitute any minimum purchase obligation.

Subject to annual economic budget allocations.

The contract period will be 4 years. Calculated from when the contract is signed, with 6 months notice.
