II.1.5. Short description of the contract or purchase(s)

The Cell Therapy Catapult has recognised the need to engage with established Process Development Partners to leverage existing expertise across the Cell Therapy industry in its pursuit of the rapid development, delivery and commercialisation of cell therapies. Whilst the Cell Therapy Catapult has a vast array of internal capability and process development expertise, it recognises the need to engage with specialist process development providers and industry experts in order to maximise the product development possibilities across the industry.

The Cell Therapy Catapult are engaged in numerous process development projects with an array of diverse products, and therefore they wish to engage in a framework agreement with several suppliers covering a wide range of skills and capabilities in order that these can be leveraged when required.
