The contracting authority is purchasing on behalf of other contracting authorities: no

**Section II: Object of the contract**

---

**II.1. Description****II.1.1. Title attributed to the contract by the contracting authority**

1011301 The Viking Age Museum — H003 Security Project. Specialist consultants in construction engineering and vibration engineering.

**II.1.2. Type of contract and place of performance or delivery**

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Oslo.

NUTS code NO011 Oslo

### **II.1.3. Information about a framework agreement or a dynamic purchasing system**

The notice involves a public contract

### **II.1.4. Information about framework agreement**

#### **II.1.5. Short description of the contract or purchase(s)**

Kunnskapsdepartementet (The Ministry of Education and Research) (KD) has assigned The Directorate of Public Construction and Property the task of starting the work associated with the sketch project for expansion and new construction for the Viking Age collection at Bygdøy. Specialist consultants in this contract shall identify which mechanical stresses the objects in the existing Viking Ship House may be exposed to. Both as regards construction work on the site and for any relocation. Furthermore, the collection's resilience as regards these stresses shall be assessed. Systems shall be designed to support and insulate objects that require protection from vibrations.

#### **II.1.6. CPV code(s)**

71311000 Civil engineering consultancy services, 73000000 Research and development services and related consultancy services

### **II.1.7. Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: yes

### **II.1.8. Lots**

This contract is divided into lots: no

### **II.1.9. Information about variants**

Variants will be accepted: no

## **II.2. Scope of the procurement**

### **II.2.1. Total quantity or scope**

Design of protection against noise, vibrations and other unwanted mechanical loading, during construction works and possible relocation of the collection in The Viking Ship House at Bygdøy. Amongst the most labour intensive objects in the form of size and/or weakened structural integrity are the Oseberg ship, the Gokstad ship, the Thune ship, the Burial chamber-Gokstad, Gangway-Oseberg, hanging trough, quard, carriage and magnificent sledge.

### **II.2.2. Information about options**

Options: yes

Description of options: The Directorate of Public Construction and Property's current assignment goes up until the finished draft project. The engineering design project will follow the same phases as the engineering design of the construction project, and include the phase draft engineering design with the following options, on verbatim terms to this agreement:

- Preliminary project;
- Detailed project;
- Follow-up in the construction phase and claims phase.

### **II.2.3. Information about renewals**

This contract is subject to renewal: no

### **II.3. Duration of the contract or time limit for completion**

Start 1.3.2016. Completion 1.11.2016

## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions related to the contract**

#### **III.1.1. Deposits and guarantees required**

#### **III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

#### **III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

#### **III.1.4. Contract performance conditions**

The performance of the contract is subject to particular conditions: no

### **III.2. Conditions for participation**

#### **III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: The tenderer is required to have a legally established company.

Documentation: Company Registration Certificate, foreign companies are required to have a corresponding certificate as prescribed by the laws of the country where the company is registered.

#### **III.2.2. Economic and financial ability**

List and brief description of conditions: Tenderers are required to have satisfactory financial implementation ability. The extent of the turnover will also be emphasised.

Documentation: Complete annual financial statement for the last accounting year including the audit report. Statsbygg reserves the right to carry out a credit appraisal of all tenderers.

#### **III.2.3. Technical and professional ability**

List and brief description of conditions:

Good experience is required from complex engineering design, for example engineering design of new and/or innovative solutions, with comparative value to this assignment.

Reference projects can be from construction projects, industry, offshore or similar.

#### **III.2.4. Information about reserved contracts**

### **III.3. Conditions specific to services contracts**

#### **III.3.1. Information about a particular profession**

Execution of the service is reserved to a particular profession: no

#### **III.3.2. Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

## **Section IV: Procedure**

---

#### **IV.1. Type of procedure**

##### **IV.1.1. Type of procedure**

Open

##### **IV.1.2. Information about the limits on the number of candidates to be invited**

##### **IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue**

#### **IV.2. Award criteria**

##### **IV.2.1. Award criteria**

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

##### **IV.2.2. Information about electronic auction**

An electronic auction will be used: no

#### **IV.3. Administrative information**

##### **IV.3.1. File reference number attributed by the contracting authority**

DL 201502296-H003

##### **IV.3.2. Previous publication concerning this procedure**

no

##### **IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document**

Payable documents: no

##### **IV.3.4. Time limit for receipt of tenders or requests to participate**

25.1.2016 - 12:00

##### **IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates**

##### **IV.3.6. Languages in which tenders or requests to participate may be submitted**

Other: Norwegian.

##### **IV.3.7. Minimum time frame during which the tenderer must maintain the tender**

Duration in months: 003 (from the date stated for receipt of tender)

##### **IV.3.8. Conditions for opening of tenders**

Date: 25.1.2016 - 13:00

Place: Postal address: Biskop gunnerus' gate 6

Town: Oslo

Postal code: 0232

Country: Norway

Persons authorised to be present at the opening of tenders: yes

Information about authorised persons and opening procedure: Tenderers who would like to participate in the tender opening must register before the submission deadline by e-mail
