The procurement documents are available for unrestricted and full direct access, free of charge, at: <https://tendsign.no/doc.aspx?Uniqueld=afzlaojyfb&GoTo=Docs>

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted electronically via: <https://tendsign.no/doc.aspx?Uniqueld=afzlaojyfb&GoTo=Tender>

I.4. Type of the contracting authority

Regional or local authority

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Procurement - Road operations, 2023

Reference number: 23/4531

II.1.2. Main CPV code

50230000 Repair, maintenance and associated services related to roads and other equipment

II.1.3. Type of contract

Services

II.1.4. Short description

The aim of the procurement is to cover the need for winter maintenance and road operations on municipal roads, foot and cycle paths, car parks and areas belonging to municipal buildings in Ålesund Municipality.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 6The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Tenderers can submit a tender for one, several, or all areas. Tenderers are asked to assess their capacity as regards to how many areas they can submit a tender for.

All of the areas have one stand-by and each must be offered its own vehicle and accompanying crew.

II.2. Description

II.2.1. Title

Area 47 Indre Lorry

Lot No: 1

II.2.2. Additional CPV code(s)

34143000 Winter-maintenance vehicles, 44113900 Road-maintenance materials, 45233139 Highway maintenance work, 45233140 Roadworks, 45233141 Road-maintenance works, 50230000 Repair, maintenance and associated services related to roads and other equipment, 63712200 Highway operation services, 90620000 Snow-clearing services

II.2.3. Place of performance

NUTS code: NO0A3 Møre og Romsdal

Main site or place of performance: Ålesund Municipality

II.2.4. Description of the procurement

The aim of the procurement is to cover the need for winter maintenance and road operations on municipal roads, foot and cycle paths, car parks and areas belonging to municipal buildings in Ålesund Municipality. The procurement is divided into 6 areas. The Contracting Authority intends to enter into a framework agreement with one or more tenderers. The tenderer will become part of the contracting authority's total road and winter operations, and must expect to co-operate with internal and external crews belonging to road operation services. Tenderers can submit a tender for one, several, or all areas. Tenderers are asked to assess their capacity as regards to how many areas they can submit a tender for. A separate evaluation and award will be made for each of the areas. However, the contracting authority will still be able to prioritise awarding areas with the fewest tenderers first.

An exclusive contract will be signed per tenderer for the awarded areas.

The contracting authority will select the most favourable offer per area based on the award criteria.

II.2.5. Award criteria

Criteria below

Quality criterion - Name: Crew / Weighting: 30%

Quality criterion - Name: Vehicles and equipment / Weighting: 70%

Price - Weighting: 0

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 24

This contract is subject to renewal: yes

Description of renewals:

The contract will be valid for 2 years from contract start-up (seasons 23/24 and 24/25), with an option for the contracting authority to extend the contract for 1 + 1 year (season 25/26 and season 26/27).

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

II.2. Description

II.2.1. Title

Area 60 Tennfjord-Eidsvik

Lot No: 2

II.2.2. Additional CPV code(s)

34143000 Winter-maintenance vehicles, 44113900 Road-maintenance materials, 45233139 Highway maintenance work, 45233140 Roadworks, 45233141 Road-maintenance works, 50230000 Repair, maintenance and associated services related to roads and other equipment, 63712200 Highway operation services, 90620000 Snow-clearing services

II.2.3. Place of performance

NUTS code: NO0A3 Møre og Romsdal

Main site or place of performance: Ålesund Municipality

II.2.4. Description of the procurement

The aim of the procurement is to cover the need for winter maintenance and road operations on municipal roads, foot and cycle paths, car parks and areas belonging to municipal buildings in Ålesund Municipality. The procurement is divided into 6 areas. The Contracting Authority intends to enter into a framework agreement with one or more tenderers. The tenderer will become part of the contracting authority's total road and winter operations, and must expect to co-operate with internal and external crews belonging to road operation services. Tenderers can submit a tender for one, several, or all areas. Tenderers are asked to assess their capacity as regards to how many areas they can submit a tender for. A separate evaluation and award will be made for each of the areas. However, the contracting authority will still be able to prioritise awarding areas with the fewest tenderers first.

An exclusive contract will be signed per tenderer for the awarded areas.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Completed ESPD self-declaration form (TendSign).

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tax and VAT certificate: Norwegian tenderers: Tenderers must give consent in their tender to TendSign obtaining and the contracting authority getting information on the above via Tendsign. After tenderers have submitted their tenders in TendSign, they will receive a request from Altinn for consent to share the tax information. The consent is valid on an organisation level and is valid for 3 (three) months. If a tenderer does not give consent, the tenderer must attach a tax and VAT certificate. The certificate must not be older than 6 (six) months from the tender deadline. Any arrears or other irregularities must be justified. (Tenderers can obtain the electronic tax and VAT certificate itself and immediately receive it by email.)

Foreign tenderers: Tenderers who are not established in Norway must present equivalent documentation issued by the authorities in the country where the tenderer is established. The certificate shall preferably be translated into Norwegian, but it will also be accepted in Swedish, Danish and English.

- Credit rating: The contracting authority will carry out an assessment of the tenderer's finances, through the company and accounting information system Bisnode AS (www.soliditet.no/creditcontrol) with the service CreditPro. The contracting authority is not accepting credit ratings from other company and accounting information systems than Bisnode AS with the service CreditPro so that the Tenderers can be assessed on equal terms. Tenderers can attach other necessary information with their tender if the tenderer is of the opinion that Bisnode/CreditPro will not provide an accurate picture of the financial situation.

Newly established companies: Newly established companies who have not worked up a basis for a credit assessment must enclose a declaration from a bank or similar financial institution on the company's financial and economic standing. This also applies to foreign tenderers.

Minimum level(s) of standards possibly required:

- Tax and VAT certificate: Requirement: Tenderers must have their tax, payroll tax and VAT payments in order, in accordance with the legislation.

- Credit rating: The economic capacity to fulfil the contract is required. A minimum requirement is that the tenderer is credit-worthy with a score of A in accordance with Bisnode AS using the service CreditPro, or that the tenderer has the financial capacity to implement the agreement, based on the contracting authority's assessment in accordance with the attached documentation from tenderers. Newly established companies must have the financial capacity to fulfil the contract.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement
Framework agreement with several operators
