2. Procedure

2.1. Procedure

Title: Procurement of an administration system for mobile units.

Description: The contracting authority needs a new system for administering mobile units in the health and welfare service. This includes approx. 1200 Samsung tablets and mobile telephones that are used by employees in different service areas. The system shall make it easier to set up, update and secure the units, as well as give a central overview and control. The system shall contribute to safe handling of information, reduce manual follow-up and ensure effective use in accordance with the municipality's requirements for privacy, information security and operational efficiency. All employees in Bodø municipality, including associated associated companies and underlying entities, on Bodø municipality's ICT platform, shall be able to use the system.

Main reason for change

:

Information updated

Description

:

The contracting authority has decided to extend the tender deadline. The background for this is that the original tender deadline is considered to be somewhat short as regards staff holidays. The deadline is intended to ensure a competition and sufficient time for tenderers to prepare tenders, in accordance with the basic principles in the Procurement Act § 4. The new tender deadline is 28.08.26, 12:00. The deadline for asking questions is also prolonged. The new deadline for questions is 14.08.26, 12:00.
