Address of the buyer profile: <https://irl.eu-supply.com/ctm/Company/CompanyInformation/Index/376>

I.3. Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at: www.etenders.gov.ie

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted electronically via: www.etenders.gov.ie

Tenders or requests to participate must be submitted to the abovementioned address

I.6. Main activity

Production, transport and distribution of gas and heat

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Ballough Bypass
Reference number: 18/160

II.1.2. Main CPV code

45231220 Construction work for gas pipelines

II.1.3. Type of contract

Works

II.1.4. Short description

Ballough Above Ground Installation (AGI) is a key piece of infrastructure on the Republic of Ireland transmission gas network. Numerous key pipelines converge on Ballough AGI. The AGI is located west of Lusk in North Co. Dublin adjacent to the M1 motorway.

The scope of this construction contract is to create a bypass around Ballough AGI.

As part of the contract the following new works will be required:

- a new AGI, north of Ballough AGI adjacent to the existing 900 mm Gormanston to Ballough pipeline. The new AGI will contain above and below ground pipework, valves, pig trap facilities and associated civils and electrical/instrumentation works,

- a new 700 m long, 750 mm bypass pipeline from the new AGI to the existing 750 mm Pipeline to the West.

As per the PQQ Document.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

45231100 General construction work for pipelines, 45231110 Pipelaying construction work, 45231221 Gas supply mains construction work

II.2.3. Place of performance

NUTS code: IE Éire / Ireland

Main site or place of performance: Lusk, Co Dublin.

II.2.4. Description of the procurement

Ballough Above Ground Installation (AGI) is a key piece of infrastructure on the Republic of Ireland transmission gas network. Numerous key pipelines converge on Ballough AGI. The AGI is located west of Lusk in North Co. Dublin adjacent to the M1 motorway.

The scope of this construction contract is to create a bypass around Ballough AGI.

As part of the contract the following new works will be required:

- a new AGI, north of Ballough AGI adjacent to the existing 900 mm Gormanston to Ballough pipeline. The new AGI will contain above and below ground pipework, valves, pig trap facilities and associated civils and electrical/instrumentation works,

- a new 700 m long, 750 mm bypass pipeline from the new AGI to the existing 750 mm Pipeline to the West. A trenchless crossing (approx. 150 m long) of the M1 motorway is required. The new pipeline will be a welded steel pipeline and will have a wall-thickness of 19,1 mm. The design pressure of the new pipeline is 85 bar,

- 2 No. new 900 mm pipeline connections (approx. 100 m each) from the new AGI to the existing 900 mm Gormanston to Ballough pipeline,

- 3 No. stopple locations requiring 9 No. split tees to be welded onto existing 750 mm and 900 mm diameter pipelines and under-pressure drilling of the pipeline at each split tee plus line stoppling / local bypass piping at the stopple locations,

- modifications to the pipework arrangement at Ballough AGI including associated civil works,

- testing and commissioning of all pipeline and AGI works,

- discharge of the duties of PSCS / Contractor in accordance with applicable H&S legislation,

- additional elements relating to the above scope of works.

II.2.5.

Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 18

This contract is subject to renewal: no

II.2.9. Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

You must submit through the etenders system before the deadline. The submission deadline is strict and no submissions will be possible after the date and time specified in the PQQ documents. Please note that all tenders are electronic, as such no paper copies will be accepted or read. Please submit via the etenders system not later than 12:00 hrs local time Monday 5.11.2018.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Please refer to tender documents available to download from www.etenders.gov.ie only.

III.1.2. Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3. Technical and professional ability

Selection criteria as stated in the procurement documents

III.1.8. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

Requests to participate may be submitted by single entities or by groups of service providers. A group will not be required to convert into a specific legal form in order to submit a request to participate, but may if the Contracting Entity considers it necessary to ensure that the contract is carried out to its satisfaction, be required to do so prior to award of the contract. The Contracting Entity also reserves the right to contract with each member of the group on the

basis of joint and several liability, or with one member of the group as a main contractor with a number of sub-contractors or on any other basis as the Contracting Entity considers appropriate.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Negotiated procedure with prior call for competition

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 05/11/2018 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

English, Irish

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Duration in months: 6 (from the date stated for receipt of tender)

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3. Additional information

Documents are available to all candidates who register their interest through e-tenders. All queries for clarification must be submitted via etenders messaging facility. The questionnaire must be completed and returned to the address detailed in the attached document not later than 12:00 hrs (local time) Monday 5.11.2018

VI.4. Procedures for review

VI.4.1. Review body

Official name: The High Court

Postal address: High Court Central Office, Four Courts, Inns Quay,

Town: Dublin

Country: Ireland

E-mail: highcourtcentraloffice@courts.ie

Telephone: +35 318886000

Internet address: <http://www.courts.ie>
