The programme is part of the Big Lottery's national Ageing Better programme which is funding 14 programmes across England. The programme will work in 3 neighbourhoods in 8 local

authority areas within Greater Manchester.

As part of this programme, GMCVO will be commissioning Local Delivery Leads for each of the local authority areas. They will be responsible for the local management of the programme, engaging with communities and supporting older people to make positive changes to their local areas utilising a community development approach. Through this procurement, GMCVO have selected a Local Delivery Lead in 5 of those local authority areas.

These organisations will support older people in the targeted neighbourhoods to volunteer as local 'investigators', uncovering and highlighting local assets. Local Delivery Leads will hold devolved budgets and older people themselves will decide where investments should be made.
