Section II: Object of the contract

II.1. Description

II.1.1. Title

Framework agreement — economic and financial services connected to the Transport Reform.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 6: Financial services a) Insurances services b) Banking and investment services

Main site or place of performance: Oslo, Norway.

NUTS code NO Norge

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

The procurement involves the establishment of a framework agreement

II.1.4. Short description of the contract or purchase(s)

The Ministry of Transport would like to procure economic and financial services for the project Transport Reform. The service provider's work will generally consist of consultancy connected to assessments of company law and contract law conditions and the preparation of different forms of decision basis.

Consultancy, consultation and guidance, including assistance with the preparation of documents connected to economic and financial questions will be particularly relevant. Assistance connected to the establishment and changing of companies will be particularly relevant, but the Ministry of Transport shall also be able to use the service provider in other questions connected to the project.

The Ministry believes the problems will, amongst other things, be connected to:

- Facilitation for the start-up of companies;
- Commercial operation of companies;
- Financial transactions, handover of assets etc. upon the separation of activities;
- Value assessments and preparation of opening balance.

II.1.5. CPV code(s)
