III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Documentation requirement: A reference list must be submitted with a minimum of 1 reference showing the qualification requirement is met. For each reference assignment, information must be provided about the assignment's content, scope, value, time, duration, contracting authority, client contact person with e-mail address and telephone number.

Requirement: The tenderer, or employees of the tenderer are required to have experience from equivalent assignments. By equivalent assignments, we mean delivery of course crusher including service, assembly, training in accordance with the tender documentation with same scope, duration and value.

III.2.2. Economic and financial ability

List and brief description of conditions: Documentation requirement: The Contracting Authority will carry out an assessment of the tenderer's finances through the company and accounting information system Bisnode AS (www.soliditet.no/creditcontrol) with the service CreditPro. The Contracting Authority will not accept credit ratings from company and accounting information systems other than Bisnode AS with the service CreditPro. Tenderers can include other necessary information with the tender offer, if the tenderer believes that Bisnode /CreditPro does not provide a correct picture of the financial situation.

This also applies to foreign tenderers.

Minimum level(s) of standards possibly required: Credit Rating:

Requirement: The financial capacity to fulfil the contract is required. A minimum requirement is that the tenderer is credit-worthy in accordance with Bisnode AS using the service CreditPro, or that the tenderer has the financial capacity to implement the contract, based on the Contracting Authority's assessment given in the submitted documentation from the Tenderer.

III.2.3. Technical and professional ability

List and brief description of conditions:

1. Environment:

Documentation requirement: Tenderers shall complete the self-declaration form on environmental management (Annex 4). This is to substantiate that the requirement is met.

2. Ethical and social requirements:

Documentation requirement: The tenderer shall fill-in and attach a self-declaration form about ethical and social requirements (Annex 3).

Minimum level(s) of standards possibly required:

1. Environment:

Requirement: To ensure compliance with environmentally relevant requirements in the contract, the tenderer must possess sufficient relevant environmental expertise, management systems and routines for quality assurance of the services that are included.

2. Ethical and social requirements:

Qualification requirement: The tenderer is required to comply with ethical and social requirements in their own business in accordance with Annex 3, and to work to ensure the compliance of the sub suppliers involved in the fulfilment of this contract.
