The procurement is related to a project and/or programme financed by European Union funds:  
no

## **II.2.14. Additional information**

# **Section III: Legal, economic, financial and technical information**

---

## **III.1. Conditions for participation**

### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Tax and VAT certificates

Tenderers must have their tax and VAT payments in order (ESPD: Part II A.e).

Documentation requirement: Requirement for certificate of paid VAT, tax and social security contribution. A certificate issued by the competent authority in the tenderer's country, confirming that the tenderer has met the obligations in regard to payment of VAT, tax and social security contributions in the country where the tenderer/contractor has its headquarters the (Norwegian certificate for Tax and VAT is combined and ordered from altinn.no, RF-1507, previously RF-1244) in accordance with the legislation in the country. The certificate must not be more than 6 months old.

The contracting authority is not allowed to request the certificate if he has already received it, in accordance with the regulations, section 17-1(4). If you have submitted a tax certificate to the contracting authority and it is still valid at the time of the tender submission for this contract the tender submission deadline, for this contest, you are not obliged to submit a certificate now. If this is the case, state when and to whom the certificate was previously submitted. You can, however, attach the certificate voluntarily if you want.

Other economic and financial requirements: Economic and financial standing

Requirements regarding the tenderer's economic and financial standing: The financial capacity to fulfil the contract is required (ESPD: Part IV B.58-3).

Documentation: The contracting authority will assess finances through the company and accounting information system Proff Forvalt ([www.forvalt.no](http://www.forvalt.no)). The contracting authority reserves the right to obtain supplementary information about the tenderer's finances.

Any need for support from other companies in order to fulfil this qualification requirement. If the tenderer is dependent on other companies in order to fulfil this qualification requirement, the required documentation for this must be presented. The contracting authority retains the right to collect supplementary information, bank guarantees or similar.
