Health

### I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

## Section II: Object of the contract

---

### II.1. Description

#### II.1.1. Title attributed to the contract by the contracting authority

Delivery, installation, start-up and validation of 4 Low temperature sterilizers for two new central sterile supply departments at Herlev Hospital and Rigshospitalet in the Capital Region of Denmark.

#### II.1.2. Type of contract and place of performance or delivery

Supplies

Main site or place of performance: Herlev Hospital, Herlev Ringvej 75, 2730 Herlev, Denmark and Rigshospitalet, Blegdamsvej 9, 2100 Copenhagen Ø, Denmark.

NUTS code DK012 Københavns omegn

### **II.1.3. Information about a framework agreement or a dynamic purchasing system**

The notice involves a public contract

### **II.1.4. Information about framework agreement**

### **II.1.5. Short description of the contract or purchase(s)**

The procurement procedure includes two contracts, for 2 new central sterile supply departments.

One installation site is at Herlev Hospital and one is at Rigshospitalet both of which are in Capital Region of

Denmark. The contracts include the delivery, installation, start-up and validation of 4 Low temperature sterilizers. The contracts also include an option for 2 similar installations.

Pricing by the Tenderer of the total number of options for similar equipment will be included in the evaluation of the financial consequences by 50 % weight.

### **II.1.6. CPV code(s)**

33191110 Autoclaves

### **II.1.7. Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: yes

### **II.1.8. Lots**

This contract is divided into lots: yes

Tenders may be submitted for all lots

### **II.1.9. Information about variants**

Variants will be accepted: no

## **II.2. Scope of the procurement**

### **II.2.1. Total quantity or scope**

The tendering procedure includes procurement, delivery, installation, start-up and validation of:  
— 4 Low temperature sterilizers

The contracts also include basic instruction in operation and maintenance of the equipment for the Purchaser's technicians, application training for the Purchaser's users, two-year guarantee and remedial period equivalent to full service, incl. spare parts, telephone support and options as described below.

Sub-contract 1 will include delivery, installation, start-up and validation of equipment for Herlev Hospital. The scope of the delivery will be about half of all the equipment being put out to tender and will be specified finally when the contract is signed.

Sub-contract 2 will include delivery, installation, start-up and validation of equipment for Rigshospitalet. The scope of the delivery will be about half of all the equipment being put out to tender and will be specified finally when the contract is signed.

The Tenderer shall submit a tender for both sub-contract 1 and sub-contract 2.

### **II.2.2. Information about options**

Options: yes

Description of options: The tender also includes:

Training option

Service option

Option for spare parts

Option for 2 similar installations

Further details are found in the tender documents.

### **II.2.3. Information about renewals**

This contract is subject to renewal: no

### **II.3. Duration of the contract or time limit for completion**

Information about lots

#### **3) Quantity or scope**

#### **4) Indication about different time frame or duration**

#### **5) Additional information about lots**

## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions related to the contract**

#### **III.1.1. Deposits and guarantees required**

The Supplier shall furnish a guarantee payable on demand for 10 % of the contract sum excluding VAT. Further details are found in the tender documents.

#### **III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

The payment is divided in lots. Terms and conditions of payment are thirty (30) days net. Further details are found in the tender documents.

#### **III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

In order to be considered, the Tenderer shall submit the minimum information stated below, regarding the Tenderer's legal situation, economic and financial situation, as well as technical

capacity. With regard to tenders from a consortium of financial players, there are no special requirements for the consortium's legal form, but if several parties tender together, a responsible Tenderer shall be appointed from among these to sign on behalf of all the parties in the consortium at the time of the tender and subsequently. Furthermore the parties shall be jointly and severally liable for the service and fulfilling the contract. For a consortium of financial players, the documentation below shall be submitted in its entirety for each individual enterprise. Enterprises which do not submit the minimum information below will not be considered. The same shall apply if the information submitted shows that the Tenderer is not suited to perform the task.

#### **III.1.4. Contract performance conditions**

The performance of the contract is subject to particular conditions: no

#### **III.2. Conditions for participation**

##### **III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: - Information about the company form and ownership of the enterprise (general description of the enterprise).

- Solemn declaration on unpaid debt due to the public sector and on compliance with Article 45 (2), a-c of the Public Procurement Directive. When submitting the solemn declaration regarding Article 45 of the Public Procurement Directive, the Tenderer may enclose the solemn declaration attached to the tender specifications, completed and signed.

- After the award, but prior to signing the contract, the Contracting Authority reserves the right to demand service certificates from the Danish Commerce and Companies Agency (for Danish contractors) which are no less than three months old, or other valid documentation that the Tenderer(s) awarded a contract is/are not in a situation described in Article 45(2), a, b, c, e and f of the Public Procurement Directive.

##### **III.2.2. Economic and financial ability**

List and brief description of conditions: - Audited and approved financial statements for the past two years for the legal entity that is to submit the tender.

- Information about the total annual revenues for the past three years from products covered by the tender and similar products.

- If the Tenderer depends on the financial status of another enterprise, it must be documented that this enterprise is jointly and severally liable without limit, e.g. by enclosing the guarantee contained in Annex L, in order for the Contracting Authority to take this into consideration.

Another enterprise is defined as all enterprises over which the Tenderer does not have control. Minimum level(s) of standards possibly required: The Tenderer shall state its annual revenues within the tendered services over the last three years and as a minimum the Tenderer shall have annual revenues for the tendered services of DKK 8 000 000 on average.

##### **III.2.3. Technical and professional ability**

List and brief description of conditions:

- Reference lists, for similar deliveries within the past three years, stating the size.

- The Tenderer must have documented experience with installation projects of similar size and compellability. This must be documented in reference list with reference site and reference person.

- The Tenderer shall describe and account for the enterprise's quality-assurance system. If the Tenderer is certified, it is sufficient to enclose copies of the certificates.

- Tenderer's delivery set-up

The Tenderer shall describe and account for its delivery set-up and the manufacturer's production capacity in order to confirm to the Contracting Authority the resources with which the Tenderer will be able to comply with the start-up deadlines in these tender documents if the Tenderer is awarded the contract for which the Tenderer is tendering. Further details are found in the tender documents.

- Tenderer's installation set-up

The Tenderer shall describe and account for its installation set-up in order to confirm to the Contracting Authority the resources with which the Tenderer will be able to comply with the start-up deadlines in these tender documents if the Tenderer is awarded the contract for which the Tenderer is tendering. Further details are found in the tender documents.

- Tenderer's training set-up

The Tenderer shall describe and account for its training set-up in order to confirm to the Contracting Authority the resources with which the Tenderer will be able to comply with the start-up deadlines in these tender documents if the Tenderer is awarded the contract for which the Tenderer is tendering. Further details are found in the tender documents.

- Tenderer's service organization/set-up

The Tenderer shall describe and account for its service organization/service set-up in order to confirm to the Contracting Authority the resources with which the Tenderer will be able to comply with the service obligations and service options in these tender documents if the Tenderer is awarded the contract for which the Tenderer is tendering. Further details are found in the tender documents.

Minimum level(s) of standards possibly required:

- As a minimum, the Tenderer shall have references for delivery, installation and start-up of Low temperature sterilizers at hospitals corresponding to total revenues of DKK 2 000 000 within the last three years. The Tenderer should state the reference site, reference person, revenues and date of completion of the work.

- The Tenderer shall document that it can meet the requirements for response time for a call-out of a maximum of 4 hours. The Tenderer shall also document that the necessary service organization will be available for installation and later operation.

- The Tenderer must have at least two documented experienced project managers and must document this with the CV's.

### **III.2.4. Information about reserved contracts**

### **III.3. Conditions specific to services contracts**

#### **III.3.1. Information about a particular profession**

#### **III.3.2. Information about staff responsible for the performance of the contract**

## **Section IV: Procedure**

---

### **IV.1. Type of procedure**

#### **IV.1.1. Type of procedure**

Open

#### **IV.1.2. Information about the limits on the number of candidates to be invited**

#### **IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue**

### **IV.2. Award criteria**

---

#### **IV.2.1. Award criteria**

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

#### **IV.2.2. Information about electronic auction**

An electronic auction will be used: no

#### **IV.3. Administrative information**

##### **IV.3.1. File reference number attributed by the contracting authority**

14014048

##### **IV.3.2. Previous publication concerning this procedure**

no

##### **IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document**

##### **IV.3.4. Time limit for receipt of tenders or requests to participate**

26.2.2015 - 14:00

##### **IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates**

##### **IV.3.6. Languages in which tenders or requests to participate may be submitted**

Danish. English.

Other: The documentation of the products offered and technical specifications will be accepted in Danish, English, German, Swedish and Norwegian.

##### **IV.3.7. Minimum time frame during which the tenderer must maintain the tender**

Duration in months: 6 (from the date stated for receipt of tender)

##### **IV.3.8. Conditions for opening of tenders**

#### **Section VI: Complementary information**

---

##### **VI.1. Information about recurrence**

This is a recurrent procurement: no

##### **VI.2. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

##### **VI.3. Additional information**

##### **VI.4. Procedures for review**

###### **VI.4.1. Review body**
