Contract or concession notice – standard regime

Supplies

1. Buyer

1.1. Buyer

Official name: Trondheim kommune

Email: stine.marie.karlberg@trondheim.kommune.no

Legal type of the buyer: Body governed by public law, controlled by a local authority

Activity of the contracting authority: General public services

2. Procedure

2.1. Procedure

Title: 2026 Framework agreement concrete products and granite edgers

Description: The contracting authority needs to ensure continuous access to standardised concrete products and granite edulators for daily maintenance, acute and planned improvements, and new installations of the municipal road network in Trondheim. Attention is relating to the fact that the procurement is only for purchases of goods. The setting down and accompanying contract work will be carried out by the contracting authority itself. The concrete products shall primarily be used for: Operation, maintenance and replacement of sand trap manholes. Replacement and new establishment of concrete pipes in various dimensions. Traffic safety measures, including securing site areas, roads and places when using physical barrier material (concrete pig/jersey stone). The granite products shall primarily be used for: Replacing and repairing damaged or worn edges along municipal roads, streets and open spaces. Establishment of edible stone and radius stone at alterations of road junctions, establishment of pavements, cycle paths and traffic islands. Both framework agreements are based on a combination of two delivery models: Delivery from tenderers (call-offs with delivery): The tenderer must have the capacity to transport and deliver products directly to Valøya or the stated construction sites within the municipality's borders. Collection at the tenderer (call-off with self-collection): In order to ensure efficient operation, the contracting authority must be able to collect products themselves with separate vehicles. It is therefore a requirement that the tenderer's delivery place/storage place must be located within a maximum driving distance of 1 hour from the contracting authority's main facility at Valøya.

Procedure identifier: d7762963-286a-47e0-8269-a85d74fdb614

Internal identifier: 2026/23394

Type of procedure: Open

The procedure is accelerated: no

2.1.1. Purpose

Main nature of the contract: Supplies

Main classification (cpv): 44113700 Road-repair materials

Additional classification (cpv): 44114000 Concrete, 44114200 Concrete products, 44114220 Concrete pipes and fittings, 44910000 Stone for construction, 44912100 Granite, 44912400 Kerbstones, 45233229 Verge maintenance work

2.1.2. Place of performance

Country subdivision (NUTS): Trøndelag/Tröndelage (NO060)
Country: Norway

2.1.3. Value

Estimated value excluding VAT: 6 000 000,00 NOK

2.1.4. General information

Legal basis:

Directive 2014/24/EU
Anskaffelsesforskriften - in accordance with the tender documents

2.1.5. Terms of procurement

Terms of submission:

Maximum number of lots for which one tenderer can submit tenders: 2
