Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Service provider Enova SF's response service.

Reference number: SID 21/5843

II.1.2. Main CPV code

71314300 Energy-efficiency consultancy services

II.1.3. Type of contract

Services

II.1.4. Short description

The purpose of the procurement is for Enova to enter into a contract with a tenderer that will undertake the operation of Enova's response service ('the Response Service') on behalf of Enova. The assignment includes guidelines on Enova's support offer and the Energy Labelling Scheme, as well as general consulting on topics in Enova's work areas. The service performance is connected to inbound and outgoing telephone enquiries, email and internet enquiries (chat and social media). Whilst carrying out the assignment, the tenderer will serve inbound and outbound enquiries for Enova with set requirements for customer statistics, including response time and customer satisfaction. The tenderer will be obliged to operate Enova's response service in such a manner that the activity contributes to the fulfilment of Enova's objectives. The current contract period expires on 31.12.2021. The tenderer will be expected to be operative on 1 January 2022 at the latest.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

71315100 Building-fabric consultancy services, 71315210 Building services consultancy services, 71321400 Ventilation consultancy services, 90713000 Environmental issues consultancy services

II.2.3. Place of performance

NUTS code: NO Norge

II.2.4. Description of the procurement

The purpose of the procurement is for Enova to enter into a contract with a tenderer that will undertake the operation of Enova's response service ('the Response Service') on behalf of Enova. The assignment includes guidelines on Enova's support offer and the Energy Labelling Scheme, as well as general consulting on topics in Enova's work areas. The service performance is connected to inbound and outgoing telephone enquiries, email and internet enquiries (chat and social media). Whilst carrying out the assignment, the tenderer will serve inbound and outbound enquiries for Enova with set requirements for customer statistics, including response time and customer satisfaction. The tenderer will be obliged to operate Enova's response service in such a manner that the activity contributes to the fulfilment of Enova's objectives. The current contract period expires on 31.12.2021. The tenderer will be expected to be operative on 1 January 2022 at the latest.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 12

This contract is subject to renewal: yes

Description of renewals:

The assignment will be valid for one (1) year, with an option to extend for a further one (1) year, to a total maximum of two (2) years.

II.2.9. Information about the limits on the number of candidates to be invited

Envisaged minimum number: 3 Maximum number: 5 Objective criteria for choosing the limited number of candidates:

If there are more than 5 tenderers who fulfil the minimum qualification requirements, the contracting authority will rank the tenderers according to their responses to the tender documentation, point 9.7 'Requirement for technical and professional qualifications'.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

The annual contract sum for the assignment is between NOK 10 million and NOK 15 million. Enova is working on an internal project with the goal of making work processes in the entity more efficient. Attention is therefore drawn to the fact that the result of this work can lead to changes in the content and/or scope of the assignment in the contract period.
