I.4. Type of the contracting authority

Regional or local agency/office

I.5. Main activity

Other activity: public building owner and property manager

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Framework agreement — Ground Works.

Reference number: 17/200

II.1.2. Main CPV code

45233300 Foundation work for highways, roads, streets and footpaths

II.1.3. Type of contract

Services

II.1.4. Short description

Undervisningsbygg [the Municipal Undertaking for Educational Buildings and Property] shall enter into parallel framework agreements for earthworks.

The framework agreement applies to ground works associated with urgent improvement works, that also involve a 24 hour stand-by scheme, and planned maintenance works and

smaller rehabilitation projects that the Municipal Undertaking for Educational Buildings and Property performs while the school is in operation.

The framework agreement is limited area wise to the Contracting Authority's properties. In connection with value preserving maintenance works, as well as individual minor rehabilitations, the Contracting Authority needs to connect with companies in the above stated specialised field.

In addition, it is desired to use landscape gardeners for plant and vegetation works, and maintenance of outdoor areas such as stairs, walls and fences.

The framework agreement generally does not include ground works in connection with projects where ground works are carried out as part of a large partial rehabilitation or total rehabilitation project.

II.1.6. Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 50 000 000,00 NOK

II.2. Description

II.2.2. Additional CPV code(s)

II.2.3. Place of performance

NUTS code: NO011 Oslo

Main site or place of performance: Oslo.

II.2.4. Description of the procurement

Undervisningsbygg [the Municipal Undertaking for Educational Buildings and Property] shall enter into parallel framework agreements for earthworks.

The framework agreement applies to ground works associated with urgent improvement works, that also involve a 24 hour stand-by scheme, and planned maintenance works and smaller rehabilitation projects that the Municipal Undertaking for Educational Buildings and Property performs while the school is in operation.

The framework agreement is limited area wise to the Contracting Authority's properties. In connection with value preserving maintenance works, as well as individual minor rehabilitations, the Contracting Authority needs to connect with companies in the above stated specialised field.

In addition, it is desired to use landscape gardeners for plant and vegetation works, and maintenance of outdoor areas such as stairs, walls and fences.

The framework agreement generally does not include ground works in connection with projects where ground works are carried out as part of a large partial rehabilitation or total rehabilitation project. The contracting authority reserves the right to use the framework

agreement in such projects where this is appropriate. Transfer of contract to the main contractor may be relevant.

II.2.5. Award criteria

Quality criterion - Name: Quality / Weighting: 50 %

Price - Weighting: 50 %

II.2.11. Information about options

Options: yes

Description of options:

A two year framework agreement, with option for prolongation of the contract with 1 year + 1 year on the original contract terms.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Between the Contracting Authority and Tenderer, Oslo kommune's standard terms for tradesman services apply, with the Oslo Municipal Undertaking for Educational Buildings and Property's special adaptations.
