Additional information can be obtained from the abovementioned address
Tenders or requests to participate must be submitted electronically via: www.thechest.nwce.gov.uk

I.4. Type of the contracting authority

Regional or local authority

I.5. Main activity

Other activity: disposal of municipal waste

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Greater Manchester Waste and Resource Management Services.

II.1.2. Main CPV code

90500000 Refuse and waste related services

II.1.3. Type of contract

Supplies

II.1.4. Short description

Procurement of Greater Manchester Waste and Resource Management Services, including Waste and Resource Management Services (WRMS), Household Waste Recycling Centre

Management Services (HWRC), and Biowaste Management Services (BMS), and all associated works.

Scope currently includes five residual waste sites; twenty Household Waste Recycling Centres (HWRC); eight Transfer Loading Stations (TLS); the Bolton Thermal Recovery Facility (TRF); the Materials Recovery Facility (MRF); 3 Biowaste facilities; the obligation to produce Solid Recovered Fuel (SRF); and associated rail transport and supply to the Runcorn Thermal Power Station (TPS).

In addition to the services, the scope will also include construction changes across a number of sites and facilities.

The estimated total value of the 3 contracts over a range of 7 years to a possible 15 years is 425 000 000 GBP to 1 720 000 000 GBP; ranges for each Lot are provided against each Lot in the relevant sections of this notice.

II.1.5. Estimated total value

Value excluding VAT: 1 720 000 000,00 GBP

II.1.6. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for maximum number of lots: 3

Maximum number of lots that may be awarded to one tenderer: 3

II.2. Description

II.2.1. Title

Waste and Resource Management Services (WRMS)

Lot No: 1

II.2.2. Additional CPV code(s)

90500000 Refuse and waste related services

II.2.3. Place of performance

NUTS code: UKD3 Greater Manchester

II.2.4. Description of the procurement

Scope currently includes:

1. managing, operating and maintaining 10 GMWDA Facilities, on which are located:
 - I. 4 MTR facilities used for receipt of a range of wastes from WCAs and the mechanical treatment of residual waste to produce solid recovered fuel ('SRF') (see below);
 - II. the Bolton TRF, available for the contractor to operate as appropriate;
 - III. the Longley Lane MRF, available for the contractor to operate as appropriate;
 - IV. 9 HWRCs;
 - V. 7 TLS (where 2 are receiving Biowaste for bulking and onward transport);
 - VI. 1 IVC facility (Bredbury) which the contractor may opt to operate, redevelop or simplify e.g. as a Biowaste TLS;
2. sorting all commingled recyclate collected by WCAs;
3. managing the treatment and/or disposal of all residual waste arisings from the WCA and HWRCs;
4. producing and delivering SRF that meets the Fuel Management Specification requirement for rail transport and subsequent processing at the Runcorn TPS;
5. implementing the design and build changes to the Reliance Street MTR facility, converting Chichester St IVC into a Biowaste TLS and making changes as appropriate to Bredbury IVC;
6. marketing all MRF outputs and paper/card delivered to the contractor by the WCAs;

7. managing all waste delivered to the 9 HWRCs;
8. managing of composting requirements for Biowaste delivered to the new Bredbury TLS, to meet PAS 100 standard and the Compost Quality Protocol; and
9. transport of Biowaste delivered to the TLS facilities at Every St and Chichester St, for treatment (and as directed) by the BMS Contractor.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 1 200 000 000,00 GBP

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 84

This contract is subject to renewal: yes

Description of renewals:

Contract to be let for 7 years, with option for an initial extension for a further 3 years; thereafter there will be options for extensions for up to a further 5 years.

II.2.9. Information about the limits on the number of candidates to be invited

Envisaged minimum number: 3 Maximum number: 4 Objective criteria for choosing the limited number of candidates:

As stated in the procurement documents.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

The estimated value of the contract over a range of 7 years to a possible 15 years is 300 000 000 GBP to 1 200 000 000 GBP.

II.2. Description

II.2.1. Title

Household Waste Recycling Centre Management Services (HWRC)

Lot No: 2

II.2.2. Additional CPV code(s)

90500000 Refuse and waste related services

II.2.3. Place of performance

NUTS code: UKD3 Greater Manchester

II.2.4. Description of the procurement

Scope currently includes:

1. managing, operating and maintaining 11 GMWDA Facilities, on which are located HWRCs only;

2. meeting the required service and recycling targets;
3. managing and marketing recycle/green waste/rubble segregated at the HWRCs;
4. managing residual waste arising at the HWRCs, including landfill diversion as required; and
5. implementing any associated construction changes as may be required by GMWDA through the term of the contract.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 320 000 000,00 GBP

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 84

This contract is subject to renewal: yes

Description of renewals:

Contract to be let for 7 years, with option for an initial extension for a further 3 years; thereafter there will be options for extensions for up to a further 5 years.

II.2.9. Information about the limits on the number of candidates to be invited

Envisaged minimum number: 3 Maximum number: 4 Objective criteria for choosing the limited number of candidates:

As stated in the procurement documents.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

The estimated value of the contract over a range of 7 years to a possible 15 years is 80 000 000 GBP to 320 000 000 GBP.

II.2. Description

II.2.1. Title

Biowaste Management Services (BMS)

Lot No: 3

II.2.2. Additional CPV code(s)

90500000 Refuse and waste related services

II.2.3. Place of performance

NUTS code: UKD3 Greater Manchester

II.2.4. Description of the procurement

Scope currently includes:

1. providing the best value solution to manage and process all Biowaste collected by WCAs (other than that delivered to Bredbury which is managed through the WRMS Contract);

2. implementing the design and build changes (if any) as proposed to the Over Hulton and Nash Road IVCs;
3. following the design and build of the 2 facilities, operating and maintaining the 2 facilities;
4. receiving Biowaste direct delivered by WCAs to Over Hulton and Nash Road IVCs (including during the period of any works);
5. receiving Biowaste transfer loaded from Every St and Chichester St TLSs by the WRMS Contractor to composting facilities (including Nash Rd and Over Hulton as appropriate or to alternate facilities where capacity at the 2 IVC sites is exceeded);
6. managing received Biowaste tonnages over and above that which can be treated at these 2 facilities (also taking into account any seasonality);
7. producing end market compost product to the PAS 100 standard and Compost Quality Protocol through maximising the processing at these 2 facilities and through off-site composting and/or stabilisation as is necessary.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 200 000 000,00 GBP

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 84

This contract is subject to renewal: yes

Description of renewals:

Contract to be let for 7 years, with option for an initial extension for a further 3 years; thereafter there will be options for extensions for up to a further 5 years.

II.2.9. Information about the limits on the number of candidates to be invited

Envisaged minimum number: 3 Maximum number: 4 Objective criteria for choosing the limited number of candidates:

As stated in the procurement documents.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

The estimated value of the contract over a range of 7 years to a possible 15 years is 45 000 000 GBP to 200 000 000 GBP.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.2.

Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3. Technical and professional ability

Selection criteria as stated in the procurement documents

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Competitive dialogue

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.1. Previous publication concerning this procedure

Notice number in the OJ S: [2017/S 199-409475](#)

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 11/12/2017 Local time: 10:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

Date: 19/02/2018

IV.2.4. Languages in which tenders or requests to participate may be submitted

English

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Duration in months: 18 (from the date stated for receipt of tender)

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used
