### III.1. Conditions related to the contract

#### III.1.1. Deposits and guarantees required

As specified in the tender documents.

#### III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

As specified in the tender documents.

#### III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

Requests to participate/tenders can be submitted by consortia of 2 or more economic operators ('joint tender'). Each grouping member must submit the necessary documents listed in point III.2.1. The documents requested in points III.2.2 and III.2.3 may be compiled jointly by several members.

Each legal entity will be required to sign the contract in case of award, and shall assume joint and several liability towards the contracting authority for the fulfilment of the terms and conditions of the contract.

Any change in the composition of the consortium during the procurement procedure may lead to the rejection of the corresponding tender. Any change in the composition of the consortium after the signature of the contract may lead to the termination of the contract.

The consortium shall nominate 1 legal entity ('the leader') who will have full authority to bind the consortium and each of its members, and will be responsible for the administrative management of the contract (invoicing, receiving payments, etc.) on behalf of all other entities and also have the right to present the offer on behalf of the group members.

Subcontracting is allowed but the contractor shall retain full liability towards the contracting authority for implementation of the contract.

An economic operator may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must in that case prove to the contracting authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing an undertaking on the part of those entities to place those resources at its disposal.

#### III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: See technical specifications.

### III.2. Conditions for participation

#### III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: To be eligible to participate in this award procedure, tenderers must not be in any of the exclusion situations referred to in Articles 106 and 107 of Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council of 25.10.2012 (OJ L 298 of 26.10.2012). See self-certification model in the invitation to tender dossier.

Candidates must also furnish proof of their entry in a professional or trade register.

The tenderer awarded the contract must provide the appropriate proof prior to contract signature in accordance with Article 143(3) of Commission Delegated Regulation (EU) No 1268 /2012 of 29.10.2012 (OJ L 362 of 31.12.2012).
