2.1. Procedure

Title: Event agency services NSM

Description: The procurement shall cover NBIM's need for event agency services as stated in this specification. The contracting authority has estimated the contract value to be approx. The aim of the procurement is to enter into a framework agreement with one tenderer who covers NBIM's need for assistance with planning and implementation of major events with primarily external participants. The Norwegian National Security Authority (NSM) is Norway's directorate for preventive safety. The directorate's main task is to improve Norway's ability to protect against snooping, sabotage, terror and compound threats. Through consultancy, inspections, testing, research and development, NSM contributes to ensuring civil and military information, systems, objects and infrastructure of importance for national security. NSM has national responsibility for coordinating the handling of serious cyber operations.

Procedure identifier: 8f400d20-e38d-4273-959d-080c3e6079ac

Internal identifier: 26/01471

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The objective of the procurement is to cover NBIM's need for assistance with planning and carrying out events. In particular this applies to NSB's annual Security Conference, which collects up to 900 participants. This is NBIM's most important professional showcase and has built up a reputation as the industry's most important meeting place. Historically, two to five other events are arranged throughout the year, where suppliers can be used for parts or the entire execution. The security conference has an annual value of approx. NOK 5,500,000 and the mentioned smaller events can historically amount to a total value of between NOK 50,000-2,000,000. This is only an estimated number and it can change on the basis of economic scope or changed needs.
