Other activity: Geothermal development

**Section II: Object**

---

**II.1. Scope of the procurement****II.1.1. Title**

Cementing Services for Drilling and Completing a Geothermal Well

Reference number: EGL-ITT-C052

**II.1.2. Main CPV code**

76420000 Well-cementing services

**II.1.3. Type of contract**

Services

#### **II.1.4. Short description**

Provision of cementing services during deep geothermal drilling and completion operations at the Eden Project, UK.

Drilling will be almost solely in granite at elevated temperature. Bidders should be able to perform and monitor cementing operations in granite or similar crystalline rock, with an emphasis on expertise in hot underground conditions and using weight reduced cements. They must demonstrate their ability to install their equipment and perform cementations on large land rigs (> 300 tons).

#### **II.1.5. Estimated total value**

#### **II.1.6. Information about lots**

This contract is divided into lots: no

### **II.2. Description**

#### **II.2.2. Additional CPV code(s)**

76420000 Well-cementing services

#### **II.2.3. Place of performance**

NUTS code: UKK3 Cornwall and Isles of Scilly

Main site or place of performance: Eden Project, Bodelva, Par, Cornwall PL24 2SG, UK.

#### **II.2.4. Description of the procurement**

Cementing services for drilling and completing a deep geothermal well.

Tenderers will need an ability to perform and monitor cementing operations in granite or similar crystalline rock, with an emphasis on expertise in hot underground conditions and using weight reduced cements. They must be able to install their equipment and perform cementations on large land rigs (> 300 tons).

There are four main operations:

- Operation A — Cementing 20" Surface Casing in 26" Hole
- Operation B — Cementing 13 3/8" Intermediate Casing in 17 1/2" Hole
- Operation C — Cementing 9 5/8" Production Casing in 12 1/4" Hole
- Operation D — Lost Circulation Cementation.

Full technical requirements for each operation, and details of the hardware required, are set out in the tender documents.

#### **II.2.5. Award criteria**

Criteria below

Quality criterion - Name: Personnel / Weighting: 25

Quality criterion - Name: Methodology and hardware / Weighting: 25

Price - Weighting: 50

#### **II.2.6. Estimated value**

#### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in days: 150

This contract is subject to renewal: no

#### **II.2.10. Information about variants**

Variants will be accepted: yes

#### **II.2.11. Information about options**

Options: no

### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
yes

Identification of the project: Eden Geothermal Project.

### **II.2.14. Additional information**

Part of a project part-funded by the European Union through the ERDF.

## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions for participation**

#### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Provide copies of the business' audited accounts from the past two years, to include:

- balance sheet
- profit and loss account
- full notes to the accounts
- director's report
- auditor's report.

Confirm that there has been no event since the last audited accounts that could affect the going concern status of the company.

Minimum level(s) of standards possibly required:

Capital and reserves in excess of GBP 100 000. Where the company does not have the required level of reserves, we will accept parent company or personal guarantees to the same value.

#### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Evidence (contract details; references) of experience installing instrumentation on large land rigs (>300 tons) and cementing wells in granite or similar crystalline rock, as well as knowledge and skills in relation with elevated downhole temperatures and light weight cements.

Minimum level(s) of standards possibly required:

Satisfactory reference.

### **III.2. Conditions related to the contract**

#### **III.2.3. Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

## **Section IV: Procedure**

---

### **IV.1. Description**

#### **IV.1.1. Type of procedure**

Open procedure

#### **IV.1.3. Information about a framework agreement or a dynamic purchasing system**

#### **IV.1.8.**

## **Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: no

### **IV.2. Administrative information**

#### **IV.2.2. Time limit for receipt of tenders or requests to participate**

Date: 23/10/2020 Local time: 16:00

#### **IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates**

#### **IV.2.4. Languages in which tenders or requests to participate may be submitted**

English

#### **IV.2.6. Minimum time frame during which the tenderer must maintain the tender**

Tender must be valid until: 15/01/2021

#### **IV.2.7. Conditions for opening of tenders**

Date: 23/10/2020 Local time: 16:30

Place:

Eden Geothermal, Eden Project, Bodelva, Par, Cornwall PL24 2SG, UK.

Information about authorised persons and opening procedure: Company Secretary and Administrator.

## **Section VI: Complementary information**

---

### **VI.1. Information about recurrence**

This is a recurrent procurement: no

### **VI.2. Information about electronic workflows**

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

### **VI.3. Additional information**

Part of a project co-funded by the European Union through the ERDF (MT Ref:220603)

### **VI.4. Procedures for review**
