Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement I: Company Registration Certificate

Tenderers must be a legally established company.

Documentation requirement:

Norwegian companies: Company registration certificate

Foreign tenderers: Verification that the tenderer is registered in a trade or business register as prescribed by the law of the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement II: Financial requirements

Tenderers are required to be economically and financially solvent, which gives the contracting authority the security that the tenderer will be financially viable throughout the entire contract period.

The credit worthiness that will form the basis for qualification for this competition is A (credit worthy) or an equivalent grade.

Documentation Requirement: Extended credit rating/report, not older than 3 months, from a publicly certified credit rating company, which includes a credit rating of the Tenderer, typically represented by a letter or a brief text, as well as an explanation of this. The report must be based on the last known fiscal figures. The date must be clearly stated.

Companies without adequate credit rating, newly started companies with a credit score of AN, individual foreign companies or companies without reporting obligation to the Brønnøysund Register Centre will not always be able to document that the requirement is met. In such instances, they will be able to compensate with a satisfactory credit rating which provides an equivalent security for implementation ability. These alternative documents must be included in the tender.

If the tenderer has valid reasons for not being able to provide the documentation requested by the Contracting Authority, the Tenderer can prove his economic and financial position with any other document that the Contracting Authority deems suitable.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement III: Qualifications
