Main address: <https://permalink.mercell.com/155663217.aspx>

Address of the buyer profile: <http://www.nofima.no/>

I.4. Type of the contracting authority

Other type: Industrial Research Institute

I.5. Main activity

Other activity: Industrial Research Institute

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Equipment and the accompanying small building for UV water treatment of freshwater intake water.

Reference number: UV mai 2021

II.1.2. Main CPV code

42912330 Water-purifying apparatus

II.1.3. Type of contract

Supplies

II.1.4. Short description

The aim of this notice is to enter into a quality and financially appropriate contract for UV equipment for the treatment of intake water for the research station, and the establishment of an accompanying building for the water treatment equipment.

II.1.6. Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 2 500 000,00 NOK

II.2. Description

II.2.2. Additional CPV code(s)

38421100 Water meters, 45252200 Purification plant equipment, 45252210 Water purification plant construction work, 45422000 Carpentry installation work

II.2.3. Place of performance

NUTS code: NO0A3 Møre og Romsdal

Main site or place of performance: Sunndalsøra, Norway.

II.2.4. Description of the procurement

The intention of the procurement is to establish UV treatment of fresh intake water at the station in a separate building. The general requirement for UV treatment is 99.99% inactivation of IPN virus. The general principle for the building is described, but it must be adapted for the actual UV installation that is chosen and adapted to the requirements for operation and access, which are described in the requirements specification.

Drawings must be prepared for the building that can be used for the building application.

Nofima has applied for an exemption from the LNF area as the chosen area is not regulated in accordance with Sunndal Municipality's area plan. The building will be located on Statkraft's property, and they have confirmed that it will be worked into the existing contracts as regards conveying ground water. See the attached site plan for the location.

II.2.5. Award criteria

Quality criterion - Name: Technical system and delivery. / Weighting: 40

Quality criterion - Name: Operation and maintenance, costs and lifetime / Weighting: 20

Price - Weighting: 40

II.2.11. Information about options

Options: yes

Description of options:

See the tender documentation.
