This contract is subject to renewal: no

## **II.3. Duration of the contract or time limit for completion**

## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions related to the contract**

#### **III.1.1. Deposits and guarantees required**

A bank guarantee or parent company guarantee may be required.

#### **III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

Payment will be made in accordance with agreed payment terms following delivery and acceptance of the services via the authorities contracting, purchasing and finance (CP&F) tool.

### **III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

If a group of economic operators submits a bid, the group must nominate a lead organisation to deal with the Authority. The Authority shall require the group to form a legal entity before entering into the Contract.

### **III.1.4. Other particular conditions to which the performance of the contract is subject, in particular with regard to security of supply and security of information**

Due to the nature of the services required, tenderers will need to be List X prior to issuing of the Tender documents, and may be subject to security checks and/or additional scrutiny prior to contract award. A full list of sub-contractors and all works to be undertaken by each subcontractor will be required and will be subject to checks and/or rejection by the Authority.

### **III.1.5. Information about security clearance**

Candidates which do not yet hold security clearance may obtain such clearance until:  
31.12.2020

## **III.2. Conditions for participation**

### **III.2.1. Personal situation**

#### **Criteria regarding the personal situation of economic operators (that may lead to their exclusion) including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: The Authority will apply all the offences listed in Article 39(1) of Directive 2009/81/EC (implemented as Regulation 23(1) of the Defence and Security Public Contract Regulations (DSPCR) 2011 in the UK) and all of the professional misconducts listed at Article 39(2) of Directive 2009/81/EC (see also Regulation 23(2) in the DSPCR 2011) to the decision of whether a Candidate is eligible to be invited to tender.

A full list of the Regulation 23(1) and 23(2) criteria are at <http://www.contracts.mod.uk/delta/project/reasonsForExclusion.html#dspr>

Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process.

Candidates who have been convicted of any of the offences under Article 39(1) are ineligible and will not be selected to bid, unless there are overriding requirements in the general interest (including defence and security factors) for doing so.

Candidates who are guilty of any of the offences, circumstances or misconduct under Article 39(2) may be excluded from being selected to bid at the discretion of the authority.

#### **Criteria regarding the personal situation of subcontractors (that may lead to their rejection) including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: This information will be sought through evaluation of responses to the attached dynamic pre-qualification questionnaire (DPQQ).

### **III.2.2. Economic and financial ability**

### **III.2.3. Technical and/or professional capacity**

#### **Criteria regarding the technical and/or professional ability of economic operators (that may lead to their exclusion)**

List and brief description of conditions:

(a) In the case of a supply contract requiring the siting or installation of goods, a services contract or a works contract, the economic operator's technical ability, taking into account in

particular that economic operator's skills, efficiency, experience and reliability.

(b) A list of works carried out over the past 5 years together with (unless the contracting authority specifies that the following certificate should be submitted direct to the contracting authority by the person certifying) certificates of satisfactory completion for the most important of those works indicating in each case:

(i) the value of the consideration received;

(ii) when and where the work or works were carried out; and

(iii) specifying whether they were carried out according to the rules of the trade or profession and properly completed.

(c) A statement of the principal goods sold or services provided by the supplier or the services provider in the past 5 years or during a shorter period if necessary, and:

(i) the dates on which the goods were sold or the services provided;

(ii) the consideration received;

(iii) the identity of the person to whom the goods were sold or the service were provided;

(iv) any certificate issued or countersigned by that person confirming the details of the contract for those goods sold or services provided; and

(v) where:

— that person was not a contracting authority, and

— the certificate referred to in sub-paragraph (c)(iv) is not available, any declaration by the economic operator attesting the details of the goods sold or services provided.

(d) A statement of the technicians or technical services available to the economic operator to:

(i) carry out the work under the contract, or

(ii) be involved in the production of goods or the provision of services under the contract, particularly those responsible for quality control, whether or not they are independent of the economic operator.

(e) A statement of the economic operator's:

(i) technical facilities;

(ii) measures for ensuring quality;

(iii) study and research facilities; and

(iv) internal rules regarding intellectual property.

(f) A check carried out by the contracting authority or on its behalf by a competent official body of the member state in which the economic operator is established:

(i) on the technical capacity of the economic operator; and

(ii) if relevant, on the economic operator's study and research facilities and quality control measures.

(g) In the case of works contracts, services contracts or supply contracts also covering siting and installation operations or services, the economic operator's educational and professional qualifications where the economic operator is an individual and:

(i) if any, those of the economic operator's managerial staff; and

(ii) those of one or more persons who would be responsible for providing the services or carrying out the work or works under the contract.

(h) The environmental management measures, that the economic operator is able to apply when performing the contract, but only where it is necessary for the performance of that contract.

(l) Certification by official quality control institutes or agencies of recognised competence, attesting that the goods to be purchased or hired under the contract conform to standards and technical specifications (within the meaning of regulation 12(1)) identified by the contracting authority.

(m) In the case of contracts involving, entailing or containing classified information, evidence of the ability to process, store and transmit such information at the level of protection required by

the contracting authority.

(n) A certificate:

(i) attesting conformity to quality management systems standards based on the relevant European standard; and

(ii) from an independent accredited body established in any member state conforming to the European standards concerning accreditation and certification.

(o) Any other evidence of conformity to quality management systems standards which are equivalent to the standards referred to in subparagraph (n)(i).

This information will be sought through evaluation of responses to the attached dynamic pre-qualification questionnaire (DPQQ).

Minimum level(s) of standards possibly required

This information will be sought through evaluation of responses to the attached dynamic pre-qualification questionnaire (DPQQ).

**Criteria regarding the technical and/or professional ability of subcontractors (that may lead to their rejection)**

List and brief description of conditions:

This information will be sought through evaluation of responses to the attached dynamic pre-qualification questionnaire (DPQQ).

Minimum level(s) of standards possibly required

This information will be sought through evaluation of responses to the attached dynamic pre-qualification questionnaire (DPQQ).

#### **III.2.4. Information about reserved contracts**

#### **III.3. Conditions specific to services contracts**

##### **III.3.1. Information about a particular profession**

##### **III.3.2. Information about staff responsible for the performance of the contract**

### **Section IV: Procedure**

---

#### **IV.1. Type of procedure**

##### **IV.1.1. Type of procedure**

Restricted

##### **IV.1.2. Information about the limits on the number of candidates to be invited**

Envisaged minimum number 3 and Maximum number 6

Objective criteria for choosing the limited number of candidates: This information will be sought through evaluation of responses to the attached dynamic pre-qualification questionnaire (DPQQ). Further information can be found at the DPQQ instruction document. For the avoidance of confusion, the authority reserves the right to only invite the top 3-6 scoring companies to negotiate, as determined by the scores awarded during the DPQQ evaluation exercise.

##### **IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue**

#### **IV.2. Award criteria**

##### **IV.2.1. Award criteria**

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

**IV.2.2. Information about electronic auction**

An electronic auction has been used: no

**IV.3. Administrative information**

**IV.3.1. File reference number attributed by the contracting authority**

S&MOCB/8005 – Supply & Maintenance of a Deployable Operations ISO Container

**IV.3.2. Previous publication concerning this procedure**

**Prior information notice**

Notice number in the OJ S: [2020/S 142-350907](#) of 24.7.2020

**IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document**

Payable documents: no

**IV.3.4. Time limit for receipt of tenders or requests to participate**

2.11.2020 - 09:00

**IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates**

**IV.3.6. Languages in which tenders or requests to participate may be submitted**

English.

**Section VI: Complementary information**

---

**VI.1. Information about recurrence**

This is a recurrent procurement: no

**VI.2. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

**VI.3. Additional information**

Suppliers must read through this set of instructions and follow the process to respond to this opportunity. The information and/or documents for this opportunity are available on:

<https://www.contracts.mod.uk/delta>

You must register on this site to respond; if you are already registered you will not need to register again, simply use your existing username and password. Please note there is a password reminder link on the homepage. Suppliers must log in, go to your Response Manager and add the following Access Code: JRYG9WV3A5. Please ensure you follow any instruction provided to you here. The deadline for submitting your response(s) is 2 November 2020, 9:00. Please ensure that you allow yourself plenty of time when responding to this invite prior to the closing date and time, especially if you have been asked to upload documents. If you experience any difficulties please refer to the online Frequently Asked Questions (FAQ's) or the User Guides or contact the MOD DCO Helpdesk by emailing: [support@contracts.mod.uk](mailto:support@contracts.mod.uk) or call 0800 282324.

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be

based solely on the criteria set out for the procurement. The authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by instructions on safeguarding classified information (e.g. a Security Aspects Letter), the authority reserves the right to amend the terms of these instructions to reflect any changes in national law or government policy, whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies, or otherwise. The link below to the Gov.uk website provides information on the Government Security Classification.
