III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: The tenderer must be a legally established company.

Norwegian tenderers:

— Company Registration Certificate.

Foreign tenderers:

— Confirmation that the tenderer is registered in a trade register or company register in accordance with the law in the country where the tenderer is established.

III.2.2. Economic and financial ability

List and brief description of conditions: Tenderers shall have sufficient financial strength to comply with the contractual obligations.

Credit rating based on the most recent financial figures. The rating shall be carried out by a credit information company that has permission to handle personal information.

The credit evaluation must as a minimum achieve a rating of 'credit worthy'.

III.2.3. Technical and professional ability

List and brief description of conditions:

A short, general description of the company shall be given, including:

— An account of the company's business concept and core competencies related to the scope of the delivery.

— An overview of the company's history, organisation and ownership, as well as a description of the business today.

— Description of how the service provider is organised for the execution of this contract.

— A concise description of the overall quality assurance system that the supplier will apply in carrying out this contract must be given.

The tenderer may choose to rely on other companies' capacity to meet the technical and professional qualification requirements.

The tenderer must, in such an event, document the resources of the companies on which he will rely and prove that he will have the requisite resources from these companies at his disposal during the contract period, for example by presenting a commitment statement, guarantee, co-operation agreement or similar.

This applies regardless of the legal nature of the connection between the companies, i.e. that the supporting companies can either be the tenderer's parent company, another company in the same group, a co-operation partner etc.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no
