### III.1. Conditions related to the contract

#### III.1.1. Deposits and guarantees required

See the tender documentation.

#### III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

See the tender documentation.

#### III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

#### III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

### III.2. Conditions for participation

#### III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: — The tender shall contain VAT and tax certificates, not older than 6 months. cf. The Public Procurement Regulations Section 8-7, possibly Section 17-14.

— The tenderer shall have a system and routines that ensure that the HSE work is operated in a systematic manner in accordance with the internal control regulations.

— There should be a statement with the tender regarding how the tenderer will organise the execution of the contract. It is a requirement that the organisation of the execution of the contract is sufficiently staffed and that the tenderer has the capacity and ability to deal with unforeseen circumstances during the contract.

— If the tenderer is a working partnership (a supplier group), a declaration of joint and several liability to the Builder and third parties must be enclosed with the tender.

A report shall be given for the business form and the composition of the working partnership, including the participants' organisation numbers (Business Register Numbers).

Tenderers must make sure to substantiate how the competence requirements shall be met by the participants. Furthermore, each individual participating company in the working partnership must provide information on their company, as is required in the tender documentation.

Working partnerships will be assessed collectively for all eligibility requirements, except HSE and own equity. Each participant will be individually evaluated for HSE and equity.

#### III.2.2. Economic and financial ability

List and brief description of conditions: — Documentation of equity is to be provided with the tender.

Documentation of any significant changes to the tenderer's equity and solvency compared to the last accounts audit must accompany the tender.

— Documentation requirement: Documentation of turnover for the last 3 years should accompany the tender offer. cf. Chapter E2, Point 4.4.1, Form E2-4.4.1.

Minimum level(s) of standards possibly required: — It is a requirement that the tenderer's equity is positive. If the tenderer is a working partnership (supplier consortium), the requirements apply for each of the participants.

— The tenderer's annual average turnover should be at least as large as the annual revenues the contract will generate.

### **III.2.3. Technical and professional ability**

List and brief description of conditions:

— The tenderer shall have experience from work of the same nature and degree of difficulty.  
— NPRA and other builders' experiences with the contractor will be evaluated. The tenderer is required to show references to relevant contracts that they themselves have carried out in a satisfactory manner.

— Competence and experience from key persons' competence shall be documented, Cf. Chapter E2, Point 4.4.2, Form E2-4.4.2.

Minimum level(s) of standards possibly required:

— Information about experience from work of the same nature and degree of difficulty shall be submitted with the tender offer. Cf. Chapter E2, Point 4.1.1, Form E2-4.1.1.

— Information about assignments the tenderer has had in the last few years, with names of references at the Contracting Authority, shall accompany the tender. Cf. Chapter E2, Point 4.1.2, Form E2-4.1.2. Any evaluation forms from previously executed contracts can also be included in the basis for the evaluations.

— Technical and professional competency and relevant experience is required of the key personnel who will be used for this assignment. The work shall be executed by companies with a master landscape gardener (Ref. A3, Point 1).

The following assignment shall be executed by personnel with at least a landscape gardener certificate of apprenticeship.

— Pruning of bushes;

— Fertilising;

— Spraying.

The following assignments shall be executed by a person with documented tree competence (arborist, documented experience with pruning of trees).
