II.2. Description

II.2.3. Place of performance

NUTS code: UKK23 Somerset

Main site or place of performance: Somerset

II.2.4. Description of the procurement

We are looking for suppliers to work with UKHO on the removing custom code, improving the system performance and making business driven changes as part of our SAP Roadmap programme.

The suppliers will work alongside existing in-house SAP development team in two ways: We are looking to make a significant transformation in a relatively short timeframe (3 years) and we have limited in-house resources; we are therefore looking for support to deliver discrete packages of work to increase our velocity.

We're looking to use SAP standard functionality with future developments and remove as much custom code as possible over the next 3 years.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents
