## **Section IV: Procedure**

---

### **IV.1. Description**

#### **IV.1.1. Type of procedure**

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
  - absence of competition for technical reasons

Explanation:

Region Midtjylland råder over 7 Siemens Avanto MR scannere. Scannerne vil i løbet af de næste par år være teknologisk forældede og skal derfor opgraderes. Det vurderes, at en samlet opgradering af de 7 scannere kun kan foretages af Siemens, da magnet og tilhørende gradientspole ikke udskiftes i forbindelse med opgraderingen. Den opgraderede elektronik skal desuden integreres med den eksisterende magnet og gradientspole. Da både magnet og gradientspole genanvendes, kan dele af den eksisterende kabelføring genbruges, ligesom Faradayburet kan bibeholdes med minimale ændringer. Den blivende magnet medfører desuden, at man undgår større ændringer af bygningskonstruktionen, så hospitalets øvrige produktion ikke

påvirkes af en opgradering.
