II.2.4. Description of the procurement

The Warm and Well Scheme aims to reduce fuel poverty and the burden on health and social care budgets caused by cold damp homes, by; promoting the health benefits of energy

efficiency in the home, and delivering a programme of energy efficiency improvements which offers personalised support, with the flexibility to offer tailored support for vulnerable households.

In addition, the Scheme aims to promote economic regeneration by; assisting householders with income maximisation through reduced fuel bills and referral to other support agencies and the promotion and support of local related trades.

By its activity to promote energy efficiency and the use of renewable technologies the Scheme also aims to reduce the carbon emissions of households in the area.

II.2.5. Award criteria
