Activity of the contracting authority: Defence

2. Procedure

2.1. Procedure

Title: 2024005755 - Framework agreement workshop chemicals with the accompanying services.

Description: Procurement of a framework agreement with one tenderer for workshop chemicals with the accompanying services.

Procedure identifier: da6a956a-b393-4f03-8e77-75b39ff04efd

Previous notice: 113f4ee3-c9df-4860-8e97-7d28b1443732-01

Internal identifier: 2024005755

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The objective of the framework agreement is to cover the contracting authority's need for workshop chemicals through the establishment of a framework agreement with one tenderer. Furthermore, it is a significant purpose for the Contracting Authority to establish a supply-secure source for this material, which can directly affect military production connected to the Workshops of the Norwegian Armed Forces. The focus will also be on the environment, optimisation and standardisation of assortment, as well as control of consumption. Tenderers shall, in accordance with the Framework agreement, deliver workshop chemicals with the accompanying services within six main categories, cf. Annex B point 2.2. See part II (General Contract Terms), Annex A point 2, Annex B and Annex D for further details on the scope of the framework agreement. The framework agreement's products and services shall be able to be delivered to all of the Contracting Authority's locations in Norway, cf. Annex E point 3. For an overview of the Norwegian Defence's locations, see www.forsvaret.no. The framework agreement has an estimated value of NOK 57 million excluding VAT over the maximum duration of the framework agreement and a maximum value of 99 MNOK excluding VAT over the maximum duration of the framework agreement.
